Quotes

I think that anyone who wants to start their own business can, but not any type of business.

There are no shortcuts when it comes to getting out of debt.

You've got to tell your money what to do or it will leave.

This is a great time for the 'guerilla marketer.' The days when you used to have to buy expensive TV time and a yellow page ad to get started are gone.

You can't be in debt and win. It doesn't work.

You don't need credit.

Pay your utilities, gas and other basic needs before paying on your debts.

When people get scared, they quit giving.
