

TMS2015

144th Annual Meeting & Exhibition

March 15-19, 2015 • Walt Disney World
Orlando, Florida, USA

Connecting the global minerals, metals, and materials community.

Find Your Ideal Position: Post-doc or Permanent Employment in Industry, Academia, or Government

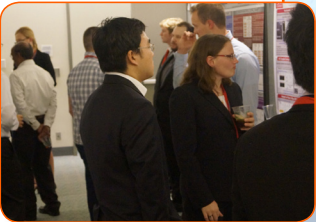

Submit a Poster for the TMS2015 Meet the Candidate Poster Session

Employers from various industries, national laboratories, and universities will be conducting onsite recruiting at this special session. Help them see what you have to offer!

Open to all attendees of the TMS 2015 Annual Meeting & Exhibition, this special session lets you:

- Network with Professionals
- Gain insight into what employers and search committees want
- Showcase your technical skills one-on-one prior to your scheduled talk

About the Posters:

Your poster should be an advertisement for you as a candidate. The poster should not be only about your current main research. It can also include other research interests you are involved in or future interests.

Sponsored by:

- TMS Young Professionals Committee

**Abstracts submission deadline:
December 1st, 2014**
