Sample Headings

AVAILABILITY (Optional)

You may choose to list your availability so that employers can see what time commitment you have available.

EDUCATION AND TRAINING

- List your most recent education first.
- Briefly list any special achievements or relevant experiences.

EMPLOYMENT HISTORY

- List your jobs in reverse chronological order, (most recent first).
- List any special responsibilities or achievements you may have obtained in the position.
- Avoid listing complete dates eg. 16/04/18 – 23/10/18. If the position lasted for less than 1 year, list the month and year (as per sample).

VOLUNTARY WORK (Optional)

- Include this heading if you have undertaken unpaid work experience, if you have never held a paid position, or if you know the company values voluntary work in the community.

SKILLS AND ATTRIBUTES (Optional)

- Keep this section brief and to the point, but ensure the skills listed are **relevant** to the position and you provide justification for your claims. Don't just list generic skills.

General Suggestions

- Length: 1 or 2 pages is sufficient when applying for part-time/casual work, such as retail or waitressing positions.
- The order of your sub headings should change according to the job that you are applying for ie. If your "**EDUCATION AND TRAINING**" is likely to be the most persuasive factor in gaining employment, list it before "**EMPLOYMENT HISTORY**" and vice versa.
