

Tantasqua Sports Camps

2019

June 17 – August 15 8:30 am – 3:00 pm

The #1 goal of the Tantasqua Camps is for every camper to have a positive learning experience. The sports camps offer athletes the opportunity to improve their skills and develop strategies. Our outstanding staff consists of teachers, coaches, college and high school students with years of camp experience. Cost is \$115/week unless noted otherwise.

“All Sports” and “Arts & Crafts”, Grades 2-6:

A great opportunity for kids entering grades 2-6 to experience 4 different sports per day in All Sports or to be creative and have fun in Arts & Crafts. There is a daily swim in the pool as a part of this camp.

“Sport Specific Camps”, Grades 4-12 as noted in Additional Sports Camps Information under each camp:

An opportunity for kids entering grades 4-12 to learn and practice the fundamentals of their sport with the emphasis on “fun”! Our varsity coaches typically direct these camps with an emphasis on skill development and game strategy. Please check the website for important info on each of these camps.
