What is a Jesse Tree?

The Jesse tree is the family tree of Jesus. It goes back to the very beginning, to Creation, it traces His family through the Old Testament, and it ends when He is born on Christmas day.

A Jesse tree is a little like an advent calendar, except that it emphasizes the true meaning of Christmas, the birth of Jesus Christ.

Like any advent countdown, the Jesse tree has one ornament per day. Unlike a calendar, though, the Jesse tree tradition focuses on a Bible story, a character, a devotion each day.

In four weeks, we read about kings and common people, about widows and children and brave fighters. We read about the great and wonderful things that God orchestrated on our behalf.

And then we rejoice in His birth.

And we get presents, just 3 since that's what He got.

How this guide came to be

Over the last three years, I have collected volumes of information on the Jesse tree tradition. It is my most favorite part of the Christmas season, and I have read about it voraciously.

There are a few really great resources available today, mostly online, but none of them focused on my audience – small children. I realized that I needed to write my own in order for it to really work well.

When I say that I wrote my own, I don't mean that I actually wrote most of the stuff in the pages that follow. I took pieces from all of the great Jesse tree devotionals that I found, and I compiled them into this guide. That's why this guide is now, and will always be, totally free.

This isn't a money-making guide; it's a means to spread the Good News of the birth of our Lord and Savior.

As your children get older, you'll want to look into [Ann Voskamp's Jesse tree devotional](#), as well as the [Reformed Church of America's devotional](#). Both are truly excellent, just a little meaty for young children.

How to Make a Jesse Tree of your own

There are as many options for Jesse trees as there are families.

Our Jesse Tree

We started out with a slightly ugly, white Christmas tree that we found for a couple of dollars. It's around 2 feet tall, too small for all of the ornaments, but it cost almost nothing and we make it work.

Other "real" trees

Some families use their regular Christmas tree for their Jesse tree ornaments. I've even heard of families who place *only* the Jesse tree ornaments on their Christmas tree.

The nice thing about a regular tree is that you have lots of places to hang ornaments with string or hooks, and it's a normal-looking decoration.

I think a little potted evergreen would make a wonderful Jesse tree, too.

Branches

Some people place a couple of bare branches in a vase full of marbles and hang their ornaments on those.

Flat trees

I have seen Jesse trees made completely out of paper, cardboard, or poster board. I've also seen a few made out of felt or fabric. The idea is the same for all of these flat trees: you hang the whole thing on a wall and attach the ornaments with pins, velcro, or tape.

How to Make Jesse Tree Ornaments

Our ornaments

I made our ornaments using [these drawings](#) as pattern pieces, a dozen pieces of felt, some embroidery floss, and a pack of glitter paint pens. Here are a few of them, in various stages of assembly:

Other hanging ornaments

My friend, Michelle, suggested making ornaments out of Shrinky Dinks. I think that's a spectacular idea, and it would be much easier than my felt ornaments were! Just make sure you punch holes in the designs *before* you bake them.

You could use small wooden shapes that you paint yourself, using the line drawings as patterns.

You could also find 28 little objects to hang on your tree. You may have to be creative, using a small rubber snake (rather than a snake wrapped around an apple) to represent the fall of man in sin.

Flat Tree Ornaments

If you want to make a flat tree and don't care if it lasts only one season, you could draw or print out a picture of a tree and print pictures that represent the ornaments, hanging them with tape. The images that appear on each page of the daily readings are collected together at the end of the book for easier printing if you want to make your tree this way. It's definitely the simplest plan, and if you laminate them, they would last a lot longer.

If your kids are old enough, you could print out line drawings [like these](#) and have them color the ornament each day during the Bible reading. Cut those out and hang them on the tree.

Alternately, you could make felt or fabric ornaments without stuffing to attach to your flat tree.

I'm sure there are lots of ways to make ornaments that I've never thought

of. If you have ideas, please email me so that I can add them to the next version of this guide.

Now what?

So you've got a tree up some place, and you have a plan for the ornaments. You've printed out the 28 pages that follow, and they are in a folder or binder with your children's Bible and the tree.

What now?

At my house, we combine the Jesse tree and the advent wreath.

Just before dinner each night, Grace lights the candle or candles in the advent wreath.

After dinner, Grace gets to open our special Advent Box.

She passes out the candies, one to each of us, hangs the ornament on the Jesse tree, and we do our reading. (The colored cards are an old version of the pages that follow; they aren't in the box any more.)

I read the day's verse and talk about the ornament. Together, we sing the song. Next, either Joe or I reads the scripture referenced. We've used a

variety of Bibles over the years, but this year, we'll read from either the [Jesus Storybook Bible](#) or [The Story for Children](#). If by chance, the story isn't in one or the other, I just summarize it from memory.

After all of the reading and singing is done, I ask Grace questions that emphasize the day's theme. We say the prayer, eat our candy, and blow out the candle from the advent wreath.

I set everything up for the next day, and we leave the dinner table.

That's it.

I can't think of a better way to emphasize the true meaning of Christmas than our Jesse tree tradition. I hope it's meaningful for your family, too.

What about next year?

Advent can be as long as 28 days, when Christmas falls on a Sunday. This year, 2011, is one of those years, so you'll use all 28 of the pages that follow.

Next year (and subsequent years with fewer than 28 days in the advent season), just leave a couple out. Don't reprint the whole book; just put a post-it on the ones you plan to skip and simply skip over them.

You can choose which ones you keep and which ones you leave out. I leave out the ones I like least, the ones that are the least meaningful to me personally. You can do whatever you want, leave out whatever you want to leave out. It's your Jesse tree.

You probably shouldn't leave out Creation or Jesus. Just saying.

To sign an evil decree.

A very good queen was she.
