PROCEDURE FOR CALLING SUBSTITUTES

Daily and long-term substitute needs are met through a web-based placement system called Frontline (formerly Aesop). Frontline uses skill matching and preference lists to connect eligible substitutes to requests made by campuses. Substitutes can search for and accept assignments, plus receive automatic notification of open assignments, online or via telephone.

When employees are out, they will call Frontline to report their absence. From there, Frontline starts the substitute search. Frontline randomly searches its database by phone to find substitutes to fill the open position – Frontline is a random calling system. You may check Frontline for available jobs either by phone or online.

- ❖ To log in to Frontline, navigate to www.frontline12.com/aesop. Enter your ID number and PIN.
- ❖ You can also manage personal information over the phone; dial 1-800-942-3767. You will be prompted to enter your ID number, then your PIN.

Remain at school while the school office determines reassignment options. If you are not reassigned you will be paid for a ½ day.

If the campus has unfilled classes you will be pulled to work during your assigned conference period. You may be used for hall duty, lunch duty, and/or bus duty, and your responsibility is primarily to maintain order. Substitutes are subject to re-assignment during the day. Remember that substitutes must stay on campus until teacher dismissal (including early release days), unless dismissed by the school principal.

Please do not leave the campus before the scheduled ending time for teacher. Typically, **your workday is 8 hours.** You are allowed a 30 minute lunch break, but will need to clock out of

True-Time while you are at lunch. Substitutes are not allowed to leave for lunch unless they have permission from the principal.

work at least 2 days out of the week. If your status remains inactive for 3 consecutive weeks, without notification to the sub office, your position may be terminated. If you are going to be out for more than 2 weeks due to health reasons, you will be required to furnish a Dr's note. If you are a full time college student, please be available during all breaks from school.

A substitute showing no work history for a period of 30 days or longer may be removed from the system and terminated without notice.

The district may also remove a substitute due to poor conduct and not following district policies. If complaints are filed, you will be ineligible to substitute. Two negative assessments and/or one **major** violation will cause you to lose your employment.

In the month of May, a letter of Reasonable Assurance will be mailed out to each substitute on the district list. This letter must be signed and returned by the indicated date. If the substitute fails to do so, he/she will be removed from the substitute list for the upcoming school year.
