					<b>LAST DAY OF SCHOOL</b> 	<b>1</b> Take a free kid's workshop at stores like Lowe's, Home Depot or Pottery Barn. Michael's offer free and fee based classes too!
<b>2</b> Make BBQ for dinner. This is a great way to get kids cooking since you can grill veggies in a snap	<b>3</b> Have fun teaching children about the history surrounding the clock by making a sundial.	<b>4</b> Host a talent show in your house. Let your kids come up with some talents and have them perform for anyone willing to watch.	<b>5</b> Have fun playing charades with your children.	<b>6</b> Play a board game in the evening with your family.	<b>7</b> Make paper planes. Look up great new layouts or teach your child the classic folds of paper planes.	<b>8</b> Take a family walk. Take a bug jar and collect bugs along the way. Write what you know about the bugs and research to learn more
<b>9</b> Go on a bike ride with your family. Write down a story based on what you saw, did or talked about on your ride	<b>10</b> Make a Movie. What kids don't love to see themselves as a star on TV? Take advantage of your kids imaginations.	<b>11</b> Make Scrapbooks. Give your child some old photographs they love to make special scrapbook pages you can add to your own scrapbook.	<b>12</b> Make Playdough. It is inexpensive and completely natural and safe.	<b>13</b> If your child is struggling with writing skills, look into pen pals.	<b>14</b> Make a Lemonade Stand. A great way to help your kids start to understand money.	<b>15</b> Go to the public library and look for new books. Create a scavenger hunt for different books on animals, transportation, sports, etc.
<b>16</b> Go on a picnic with your family. Take a camera and take pictures of the family fun! Make a collage and write about your day	<b>17</b> Make S'mores. Everyone loves to enjoy this treat, what makes it even better is its easy for kids to make!	<b>18</b> Build a Fort. Every child loves to pretend to be in the wild west or camping out. Capture their creativity and build a fort as a hideout or camp site on a rainy day.	<b>19</b> Have your kids come up with an original play or musical and act it out for you at the end of a days practice.	<b>20</b> Get some seeds to plant a garden and water it daily. Track your observations on a journal every day	<b>21</b> Practice counting to 1,000 by 2s, 5s, 10s, etc Practice rounding to nearest 10 and 100 (57, 249, 93, 629, 56, 838)	<b>22</b> Celebrate summer by making breakfast with your family. Make pancakes and make a happy face on the pancakes with syrup.
<b>23</b> Go to a waterpark and HAVE FUN! Write and illustrate your special day	<b>24</b> Create a treasure hunt. Hide treasures around the house and yard. Make a map for the kids to follow.	<b>25</b> Count the number of steps it takes to walk to the corner with your child (by 1s, 2s, 5s, 10s)	<b>26</b> Have a Luau in the backyard. Have kids make grass skirts and paper flower leis.	<b>27</b> Bake cookies. Find a recipe that uses any of the baking goods you have around the house. Let your child help with measuring and mixing.	<b>28</b> Learn Magic Tricks. Just about every child has a magic phase. Let them learn how to be a magician themselves.	<b>29</b>
