SUPERIOR UNIFORM GROUP

Through our partnership with Libras de Amor in El Salvador, we help to reduce malnutrition in children and provide a self-sustaining environment for families.

Clothing donations help those in need from our local community to the communities where we manufacture internationally.

Our contributions have improved early childhood development by providing prenatal care, vitamins, vaccines and growth monitoring.

Celebrating the Heart of Healthcare™

Fashion Seal Healthcare® recognizes that healthcare professionals are The Heart of Healthcare. You are the front line of compassionate, expert care. You bring patients and their families tremendous benefit by delivering the highest quality healthcare with comfort, empathy and kindness. It is hard work both physically and emotionally, and we pay tribute and thank you for all you do.

The Heart of Our Communities

Superior Uniform Group® and our employees are committed to being a socially responsible company. It is our privilege to support charitable organizations that create sustainable environments and help those in need. We continually strive to raise the bar with our social compliance policy.

Our efforts span the globe, from local beaches in our own backyard, to the communities we touch across the world.
