Unclaimed Funds Accounts

A Message from Ohio Department of Commerce Director Sheryl Maxfield:

The Ohio Department of Commerce's Division of Unclaimed Funds has returned more than \$1 billion to Ohioans since its creation. Could you be the next person to find your missing money?

I invite you to take a few minutes to review this insert and see if you or someone you know has a lost treasure just waiting to be claimed. But your search shouldn't stop here. New accounts are coming in every day, so I invite you to visit missingmoney.com regularly to see if your name appears on the list.

Good luck on your search! I hope we have some funds for you or someone in your life.

Forgotten Money

Unclaimed funds are money or the right to money that has been dormant or forgotten, usually for five years. Each year, the Division of Unclaimed Funds receives accounts that include inactive checking and savings accounts, safe deposit box items, forgotten rent and utility deposits, uncashed payroll checks, undelivered stock certificates and uncashed insurance policies.

Enclosed is a list of current or former county residents who had unclaimed funds worth \$50 or more reported to the division within the past year.

Safe deposit box items received within the past year are listed first.

Check your name, as well as family and friends' names in this year's list. Names are listed under the hometown of the last known address reported to the division.

See a possible match?

If you see a possible match, go to missingmoney.com to locate the property or properties as listed. From there, you can initiate and print your own claim form. If you are unable to print, you can request a claim form be mailed to you.

Remember:

The accounts listed here are only those worth \$50 or more received in the last year; so even if you don't see your name here, check the website at: com.ohio.gov/unfd.

If you do not have Internet access, please call our toll-free number: **877-644-6823 (OHIO-UCF)**,
