Subject: Amendment Updating First Aid and Disposal in Accordance with PR Notices
2001-1 and 2001-6
Enforcer Flea Spray for Homes
EPA Registration Number: 40849-53
Your Submission Dated March 3, 2003

Dear Ms. Hawkes:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. You must revise the Ingredient statement as on the previously accepted label to specify 0.25% permethrin and 0.02% related reaction products. The designation of active ingredients must agree with the source product label.
2. You must revise the last sentence of the third paragraph of the Directions for Use to read as follows: "Repeat treatments and daily vacuuming may be necessary to kill fleas newly emerged from the pupae state."
3. You must use the standard precautionary statements as specified in the Label Review Manual. Accordingly, you must:
 - Change "Do not breathe spray mist" to "Avoid breathing spray mist".
 - Change "Thoroughly wash with soap and water after use" to "Wash thoroughly with soap and water after handling."

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

A handwritten signature in cursive script that reads "Susan L. Stanton, for".

Shake Well Before Use

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Enforcer[®] Flea Spray for Homes kills fleas and ticks, and contains a unique combination of ingredients that kills adult fleas, as well as flea eggs and larvae. One of these ingredients, FGR₆, kills fleas by preventing their development into the adult biting stage. It reaches fleas hidden in carpets, rugs, drapes, upholstery, pet bedding and floor cracks. This product ultimately protects your home from reinfestation while protecting your family and pets from bites. A treatment with this spray provides continuous flea protection for up to 210 days [7 months], and leaves no objectionable odor or sticky mess. When used as directed, this product will not stain furnishings or carpeting.

Fleas: Adjust spray nozzle to create a fine spray. Treat all carpeted areas and all baseboards of hard surfaced floors. Evenly apply a fine mist or spray to carpets, rugs, drapes and all surfaces of upholstered furniture by using a wide, sweeping motion. Also spray floors underneath furniture, sofas, chairs and beds. Do not saturate surfaces. Treat pet bedding, a primary hiding place for fleas. Retreat as necessary. **Do not spray humans or pets with this product.** Use an Enforcer product registered for flea control on pets in conjunction with this treatment. Do not reenter treated areas until completely dry.

The flea pupae (cocoon) stage is not affected by this product because the cocoon is very difficult to penetrate. Repeat treatments and daily vacuuming to kill fleas newly emerged from the pupae stage

Use in homes, garages, attics, apartments and hotels. One container will treat approximately 1,595 square feet (or eleven rooms measuring 10' by 14½').

To kill other crawling bugs (such as ticks, ants, spiders, roaches, carpet beetles and silverfish) spray directly on pests.

Storage and Disposal

Storage: Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from heat, flames and other sources of ignition. **Disposal:** If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-Cleanup for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if inhaled or absorbed through skin. Do not breath spray mist. Avoid contact with skin, eyes or clothing. Thoroughly wash with soap and water after use. Do not contaminate food or foodstuffs. Do not use in commercial food processing, preparation, storage or serving areas. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Cover or remove exposed food. Remove pets, birds and cover fish aquariums before spraying.

First Aid

If Swallowed	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice.
If on Skin or Clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Immediately rinse skin with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [You may also	

contact 1-800-xxx-xxxx for emergency medical treatment information.]

{Note: The First Aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used}

If in the event of an animal-related emergency, call the national Animal Poison Control Center at 1-800-345-4735.

Environmental Hazards

This product is extremely toxic to fish. Do not apply to water. Do not contaminate water by cleaning of equipment or disposal of wastes.
