FORTUNE 1000

Dallas-Fort Worth continues to draw Fortune and Global 500 headquarters by growth and expansion of local companies as well as by relocations of headquarter operations. DFW is the only region in the U.S. to host three Fortune 10 companies (with the recent addition of McKesson). No other metro has more than one. Similarly, DFW and Beijing are the only two metros to host three Global 20 companies.
