

iLATOS2019

International Laser Technology and Optics Symposium

LE GRANDEUR
PALM RESORT JOHOR

Date: 3rd & 4th September 2019

Venue: Le Grandeur Palm Resort Johor

Organizer:

Laser Center, Universiti Teknologi Malaysia

For registration and further information:

CALL FOR PAPERS

iLATOS2019 is an international forum for researchers, academicians, engineers and industrial players from various fields of laser & electro-optics. **iLATOS2019** creates opportunities to present and discuss current issues and exchange views that may create mutual interest. This platform acts as a bridge to transfer research & development output to the applications which match the industrial requirements as well as user expectations. **iLATOS2019** offers a comprehensive view of theoretical and experimental laser research and applications. The following topics will receive particular attention but not limited to:

- Lasers and its Applications
- Fiber Optics Sensor
- Quantum Optics and Quantum information
- Ultrafast Optics and Strong-Field Physics
- Nonlinear Optics
- Laser Methods in Chemistry, Biology, and Medicine
- Nanomaterials
- Laser Interaction with Matter
- Solar Technology and Applications
- Nanophotonics
- Bio-Photonics
- Electromagnetic wave

Papers presented in iLATOS2019 will be reviewed and published in **IOP** conference series (Scopus Indexed).

REGISTRATION FEES

PARTICIPANT	ACADEMIC STAFF	STUDENT
International	RM 1300	RM 1300
Local	RM 1100	RM 900
Booth	RM 2000	

IMPORTANT DATES:

Abstract Submission Deadline	31 st May 2019
Notification of Acceptance	1 st June 2019
Full Paper Submission Deadline	1 st August 2019
Payment Deadline	15 th August 2019
