FOR A BETTER US

Summer at the Y inspires well-balanced, healthy youth development. Children unlock new skills, discover new interests, celebrate new achievements, and share all of these character-building experiences with new friends. They are given these opportunities every day in Y Camp. For the campers, it adds up to summer fun. For us, it means they feel safe, happy, supported, and loved – the building blocks of a healthy community, for a better us.

**The Y. For a better summer.
For a better camper. For a better us.**

SUMMER UNPLUGGED

At the Y, we firmly believe summer is a time to let loose in the great outdoors! Campers will run, sweat, get their hands and clothes dirty, and some may even mysteriously lose a sock (or shoe, or water bottle, or hat...). We love it when campers go home "ready to rest" (wink, wink!). It means they spent their camp day in a whirlwind of non-stop, full on, enriching summer fun. Mission accomplished!

Y Membership Advantages

Y members always get the lowest rate on Y Camp, on average as low as \$62 less per week – that’s a savings of up to \$620 for the entire summer. **To qualify for member rates, the child you are registering must be an active Y member at the time of registration and remain active through the end of the camp season.** For family membership holders, the membership must be in the name of the parent/guardian registering the child. If a membership is purchased after registration, the member rate will not apply.

Registration Fee & Registration Packets

A one-time registration fee of \$35 per camper is paid during the completion of your online registration packet. This fee is non-refundable and non-transferable.

Your 2019 camp registration cannot be confirmed/finished until you complete the online registration packet (via the \$35 registration fee). This packet captures important information related to your child’s health and safety, and is required and in accordance with State and National guidelines that permit and accredit our camps. Campers will not be admitted to camp and camp weeks may be cancelled without a completed online registration packet.

There is a day camp registration packet and a Hashawha/Puh’tok registration packet. The information contained in each packet is unique to either day camp or overnight camp. If your child is attending a Y day camp and an overnight camp at Hashawha or Puh’tok, you will need to complete both online registration packets.”

To sign up for your registration packet, go to ymaryland.org and in the Camp box on the homepage, click on Camp Locations. Select your camp location and click the Register tab. From there you will be able to select the registration packet. Please have your child’s tetanus shot date on hand when you complete the packet.

Early Bird Special

Get 5% off your camp weeks and 75% off the registration fee when you register between January 21st – February 28th – a savings of up to \$162! Use promo code EARLYBIRD2019 for the camp weeks and REGPACKET75 for the registration fee. Savings not valid on transportation or other fees.

Recommended Online Registration Method

BEFORE REGISTERING, review the 2019 Y Camp brochure. When you’re ready to register, go to ymaryland.org and in the Camp box on the homepage, click on Camp Locations. Select your camp location and click the Register tab. From there you will be able to register for any of the camps that are available at your chosen location.

Please Note: If you are not a returning camp family or Y member, you will need to set up an online account prior to registering. Follow the instructions on your camp location page.

Helpful Tip

Cancellations made with less than two weeks notice will not be accepted; all fees are non-refundable. For more information please review the financial policy in the Camp Parent Manual and Camp Agreement.

Financial Agreement

The complete Financial Agreement is online at ymaryland.org and explains all financial policies in full detail including payment, refund, cancellation, and change policies. During the registration process you will be required to read and accept the financial agreement.

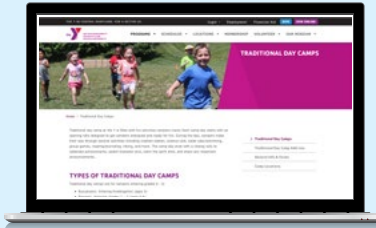

QUALITY CAMPS

Most Y Camps are ACA accredited, which means we run our camps according to the best policies and practices in the industry. We voluntarily go through rigorous inspections by outside professionals to ensure we continue to exceed state regulations in health, safety, programming, qualifications, training, emergency management plans and more—up to 300 standards in all!

EXCEPTIONAL TEAM

Y camp team member candidates undergo a minimum of 30 hours of training that is specific to their role, including CPR and First Aid. Our thorough review process includes a half day of leading actual activities and camp scenarios, reference and background checks, and several interviews. **If you would like to inspire youth and join our exceptional camp team, apply online at ymarylandcareers.org.**
