

## Immunizations Code List

This section contains a list of Medi-Cal-available immunizations. The following codes should be used to bill for the administration of immunizations. For a comprehensive list of injections, refer to the *Injections: Code List* section in this manual.

**Note:** Immunizations listed below that are available through the Vaccines For Children (VFC) program must be billed with the appropriate CPT-4 code and modifier SL (state-supplied vaccine). Refer to the chart in the *Vaccines For Children (VFC) Program* section in this manual for a list of immunizations supplied for free by the VFC program.
