Audio interview with Alessandro de Alarcon, MD, MPH, author of Screening and Treatment of Methicillin-Resistant *Staphylococcus aureus* in Children Undergoing Open Airway Surgery

About the Cover

Photographer: Aiman Abbarah, MD, Dublin, Ireland. "This shot is taken in the beautiful Powerscourt Gardens in Wicklow County, Ireland. You can see a 13th-century castle along with the 19th-century garden. The castle's position was of strategic military importance since the castle's owner could control access to the nearby rivers."
