

NAMING YOUR SENIOR ADULT GROUP

Looking for a name for your senior adult ministry group? Choose a name that is appealing to the majority of your people and that cannot be confused with another group in your church or community. Consider the general age range of the people in your group or whom you would like to attract. Sometimes the name can be too specific thus leaving out potential adherents due to misunderstanding. You may want to have a contest to choose a name, but you definitely should have a committee give input to bring wisdom and thoughtfulness into the decision. Here are some suggestions:
