GM Has Fared Better Overseas
General Motors is like a sports team that plays better on the road than at home. The U.S. auto giant, which got a government rescue Friday, has watched sales and market share plunge and losses soar in North America, overshadowing its more successful overseas operations. Unattractive models, perceived poor quality and an overreliance on gas guzzlers are often blamed for ... More >

Screen Center

The *Screen Center* is a new timesaving feature that puts all of the IBD screens in one place. There are 5 valuable screens presented every day, bringing you the best stocks in different categories.

In addition to the Fundamental View shown, you can also access the *SmartSelect*® ratings & view price & volume information for each stock in the lists.

Screen Center

The screenshot shows the 'Screen Center' interface with several tabs: 'SCREEN OF THE DAY', 'SECTOR LEADERS', 'CAN SLIM® SELECT', 'TECH LEADERS', and 'LONG-TERM INVESTOR'. The main content area displays the stock quote for Accenture Ltd CI A (ACN) with a last price of \$31.45, a volume of 2,635,100, and a P/E ratio of 12. A candlestick chart shows price movement from August to December. Below the quote is a table titled 'Young Guns' with columns for Symbol, Company Name, and various ratings (EPS, RS, SMR, Acc/Dis, Grp RS). The table lists EBS (Eli Lilly and Company) and AVAV (Aerovironment Inc).

Symbol	Company Name	EPS Rating	RS Rating	SMR Rating	Acc/Dis Rating	Grp RS Rating	Tools
EBS	Eli Lilly and Company	99	97	99	A	B+	99
AVAV	Aerovironment Inc	99	94	98	B	B	98

Hitting the space bar allows you to tab through various stocks, giving you expanded quote information and a mini chart of each stock.
