

100 Would You Rather Questions

for Kids

Conversations with young children can open up an avenue into a world of imagination and information. Children can be surprisingly informed about the world around them. At the same time, what they don't know can also provide a better understanding of areas that need to be explored.

Maybe you and your family are going on a road trip and you want to engage your children in an activity that everyone can enjoy. Maybe you want to enhance conversation at the dinner table. Or maybe, you just want to know more about their daily routines and their experiences in the class rooms.

Here are 100 "Which would you prefer" questions to introduce conversational topics to children ages five-ten.
