

MARRIAGE NIGHT

#MARRIAGENIGHT2019

WELCOME TO

Marriage Night

I have been married to my high school sweetheart for almost nineteen years. No, we didn't get married in high school. But on the first Saturday after college graduation we stood at the altar exchanging vows.

Now in our early forties, we have four great kids and the busy schedules that come with them. Between church activities, sports practices, music lessons, homework, and school functions, life is always on the move. But even in the busyness of life, we try to keep our marriage a priority.

Whether you're newlyweds or veterans, you know that a happy and healthy marriage takes work. It doesn't happen by accident.

**We plug in our phones every night to charge.
We put gas in our cars every week.
But are we regularly refueling our marriages?**

Our RightNow Media team decided to launch Marriage Night as one way for couples to dedicate time to focus on what God has for their marriage. It's a one-night event packed with laughter and lessons you can apply immediately to your own marriage.

We'll be hearing from two great couples—Francis and Lisa Chan and Les and Leslie Parrott—with standup from comedian Michael Jr. We're excited to see all God has in store for your marriage through this event.

I hope you and your spouse will walk away from Marriage Night renewed and refreshed. Thank you for taking a night to focus on your marriage.

You and me FOREVER

MARRIAGE IS GREAT, BUT IT'S NOT FOREVER.

This seven session Bible study series, based on the book *You and Me Forever* from best-selling author Francis Chan and Lisa Chan, will challenge you to view your marriage like never before. These seven inspiring videos will help you dive deeper into the content of the book as you explore themes like:

- It's until death do us part. Then comes eternal rewards or regrets depending on how we spent our lives.
- While we cannot allow lesser things to destroy our marriages, we also cannot allow marriage to distract us from greater things.
- A jealous God asks us to pursue him first and most. Then life makes sense, and everything falls into its proper place.
- Love, laughter, and intimacy were all created to be enjoyed. So there is a way to love family deeply without ignoring heaven.
- It all comes down to our focus.
- Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage.
