## Minecraft school unblocked weebly

It's much easier than Medium, but may require a little more work depending on your school's security. First, download the file below. shiginima\_launcher\_se\_v1.602\_3\_jarFile Size: 1107 kbFile Type: jarDownload File Run the file, if it works, is your good to go! If not read below:)Okay, it's a little more complex and you have to understand mycraft for this to work. You have to go on a computer with no blocks and run minecraft with a premium account (If you don't have it, find a friend). Once you do this, go to the %appdata% folder. If you don't know how to get there... Google it. After you get to the %appdata% folder, find the .minecraft folder and download it. Now send it to the computer you want to get minecraft on. Put the .minecraft folder you downloaded from your home computer and upload it to your %appdata% on the computer you want to get mine on. Run shiginima with a version in the %appdata% you have. you're good to go! To get unblocked minework, download the file below! Then open it on your desktop!
