DRIVING EXPERIENCES & GIFT IDEAS

"I just wanted to let you know what a brilliant day I had on Sunday. I was so impressed with the level of organisation, not having too many people at the venue waiting for their slot made for an even more enjoyable experience. But the cars, THE CARS! I hadn't realised how many top flight Supercars would be there, and I drove the daddy, the Aventador! I'll definitely be back again."

“Just wanted to say thanks to the team at Kenilworth for a great day’s driving on Sunday. The whole setup was far better than others I’ve been to. The instructors were great and I really enjoyed being able to put my driving skills to the test safely without worrying about speed cameras, traffic or the boys in blue. It was all over too quickly though, I could easily get hooked. Nurburgring watch out. Hope to do it again soon. Thanks again.”

CUSTOMER TESTIMONIALS

"I just wanted to get in touch to say what a fantastic day my husband and godson had on Friday. From the time we arrived to book in everyone was so friendly and nothing was too much trouble, the guys with the cars took time to answer questions from all of us about the cars which was great for my 2 boys aged 11 and 6 who had come to watch their dad. I think we are all now addicted and will definitely be back. Once again thank you so much for a truly fantastic day we would recommend 6th Gear to everyone."

KAREN FIRTH

"Just a quick email to thank you for a fantastic Driving Experience at the weekend. I bought a Ferrari experience for my boyfriend and he loved every minute of it. Thanks again."
