

# Kaplan Foundations: ACT & SAT Prep

**GRADES:** 9-12

**SUBJECTS:** ACT, SAT, and PSAT

**PROGRAM LENGTH:** Up to 58 hours

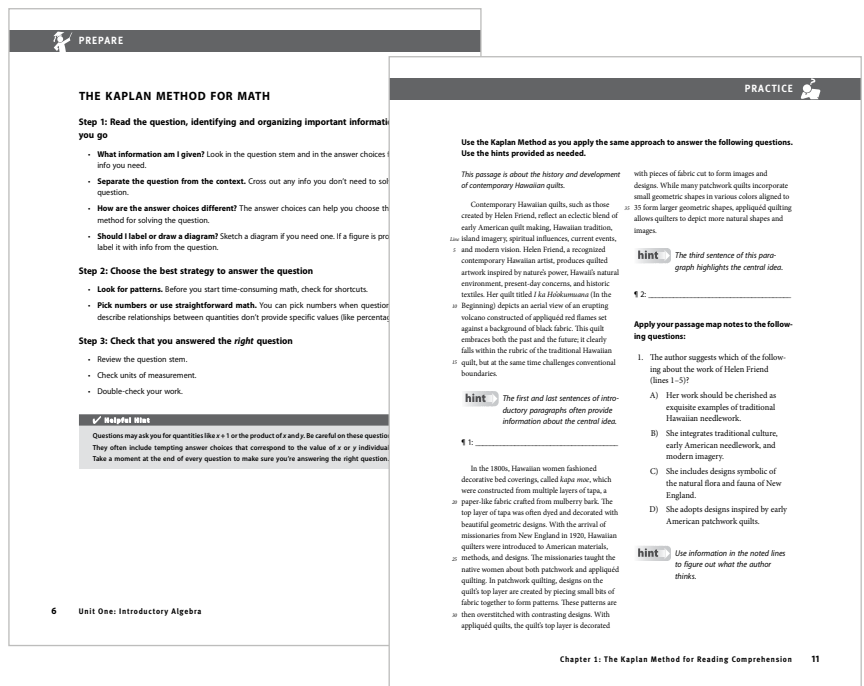

Develop the core skills needed for ACT, SAT, and PSAT success.

**Kaplan Foundations: ACT & SAT Prep** equips students with the skills and strategies needed to close the college readiness knowledge gap. This first step in ACT, SAT, or PSAT preparation reinforces essential content knowledge while introducing students to test-like questions and test-taking strategy. This comprehensive program prepares students for college-level content-readiness through a systematic instructional approach that scaffolds instruction in order to develop students' content knowledge and test-taking strategy. This course can be taught by Kaplan-certified instructors or your teachers.

- Modular lessons are closely aligned to both ACT, SAT, or PSAT content to support student mastery as they begin preparation for college entrance exams.
- Foundations: ACT & SAT Prep provides a valuable precursor to test-strategy courses for struggling students and is recommended prior to skill and strategy courses in order to remediate content-area deficits and maximize strategy instruction.
- This program includes two books that cover the fundamentals of college readiness; one Math and Science-comprehension book and one ELA and Writing book.
- Includes Progress Check assessments per subject book which provide students with test-like practice and allow teachers to monitor progress and analyze skill gaps.
- **For Your Teachers:** The robust Teacher's Edition includes detailed teachers notes in order to support a differentiated and engaging instructional approach.
