Hosanna
by: G. Craig Lewis

**In the highest
praise be to our God
In the highest praise**

**I will enter His gates with thanksgiving in my
heart**

**I will enter His courts with praise
I will say this is the day
that the Lord hath made
I will rejoice for He has made me glad**

**Hosanna
In the highest**

Psalms 24
by: G. Craig Lewis

He's the King of Glory
The Lord God Strong and Mighty
He's the King of Glory
Yes He Is
Yes He Is

He is Strong and Mighty
The Lord God Mighty in battle
He is Strong and Mighty
Yes He Is
Yes He Is

Lift up your heads
Be lifted up,
and the King of Glory
shall come in

He's the King of Glory

**Jesus You Reign
by: Paul Ragin**

**Jesus, King of kings
Lord You rule and You reign
Your name is exalted
above every name**

**Lord at your name,
every knee will bow
before your throne,
kings lay down their crowns**

**You reign
Jesus you reign
Jesus you reign
Lord forever more
you reign (x2)
Jesus You reign**

**You are the King of Glory
The Lord God strong and mighty
No other power compares to you
Jesus You reign**

A New Song
by: G. Craige Lewis

**I will sing unto you Lord,
a new song
And praise your name with gladness
and lift my voice to you, in song**

**I will sing
of all the things you've given
A song of thanksgiving
a new song of your Love**

**A song of happiness,
that keeps my soul at rest
And gives me peace that
I could not find without you
A song of victory
that keeps my mind at ease
And brings your presence
closer and closer to me**

**I will sing
a new song**

**The Blood Song
by Gerard Brooks**

**Jesus Christ was
A man who did no wrong
A man who knew no sin
But became sin
To die for sinful man
What an awesome price
An awesome price He paid
Yet he died for us anyway**

**You love us so much
You gave your only son
Thank you for your blood
Thank you for your blood**

**Your blood washed away
all of our sins
Thank you for your blood
Thank you for your blood**

**I'll never know why you loved me
I'll never know why you cared
Thank you for your blood
Thank you for your blood**

**Your grace is amazing and
your mercy never ends
Thank you for your blood
Thank you for your blood**

**They hung my savior high
They stretched my savior wide
He never said a word
They crucified my Lord
We could never repay
Yet you died for us anyway**

**What a price you paid
Just to wash our sins away
We could never repay
Yet you died for us anyway**

SURRENDER
By: Corey Micah

**There is a way
that seems right to a man,
but the end is death.
There is a feeling, that consumes,
But it's my own desires.**

**There are voices
surrounding, that say
that's not good enough.
But, He knows what's best you
and His promises are true.
Lord you'll reign forever.**

**We will say yes,
to your plan.
We will obey your commands.
With all that we are,
with all that we do,
we'll dedicate our life to you.**

**Surrender, surrender, surrender
our mind to You.
Surrender, surrender, surrender
our heart to You.**

**There was a man that
walked the earth.
Who paid the price for
all our failure.
He bled and died, but rose again.
So we'll place our confidence in Him.
I surrender, I surrender, I surrender...**

**Holy God
by Paul Ragin**

**Holy God
Holy God
Holy God
That's who you are**

**Time will never change you
You remain the same
Lord your name is matchless
And forever I'll proclaim**

**Righteous God
Righteous God
Righteous God
That's who you are**

**Time will never change you
You remain the same
Lord your name is matchless
And forever I'll proclaim**

**Faithful God
Faithful God
Faithful God
That's who you are**

**Time will never change you
You remain the same
Lord your name is matchless
And forever I'll proclaim**

**You never change Lord
You remain the same
Lord you are,
Holy, Holy, Holy
Righteous, Righteous, Righteous
Faithful, Faithful, Faithful**

**ABC Welcome Song
by: Wendell Mosley**

**We have received Him
We have the power to be sons of God
We live to please Him
By his power we will overcome**

**Unmovable, Unshakeable
Unbreakable we are
Adamant Believers**

He is God
by G Craige Lewis

Give praise unto the Lord for he is worthy
Give praise unto the Lord for he is good
Give praise unto the Lord for he is wonderful
He is our savior, He is our God

He is
awesome, wondrous, powerful
He is
righteous, wonderful, He is God

He's God the father
And there's no other
He is God
Yes he is
There's no one above him
That's why I love him
He is God
Yes he is

Lord You're Good

By: Paul Ragin

**Lord, You're good
Your mercy endures forever
Always, You're good
Your mercy endures forevermore**

**Lord You've been good
Lord You've been kind
Lord You make ways
All of the time
Lord You're so faithful
You are mighty and strong
I'll forever praise You
All the day long**

**Lord I just got to tell You
Thank you
For everything You've done
No, no one else is worthy
Of Glory
Lord You're the only one
I'll praise Your Name**

**There's nobody like our God
That's why we will say
You're so good, You're so good**

**Living God
by Paul Ragin**

**You paid a price Lord
I could not pay
You laid down Your life
So that
All men might be saved
Your life was not taken
But freely given
Hung on a cross
Placed in a tomb
but You did not stay there**

**Living God
Living God
You are
Living God
You conquered Death,
hell and the grave**

**Death, thought it defeated You
Lord You proved
You're our Champion
You have risen
There's only an empty tomb
where You laid
You're not there anymore
You have risen**

My fortress, my shield
Deliverer, the one who heals
Jehovah, my hope
God is who I trust the most

God is the rock, so faithful
God is the rock

God is the rock, eternal

My father, the King
Gave His Son for me
He's my help in need
Loves me beyond

He is the rock, our salvation
Who is higher than I

God is, God is

Special Thanks:

To the ABC Praise Team: Janell Hicks, Aletter Lambert, Tonya Lewis, Kayla Johnson, Marco Britton, JayBrian, Joshua Vanison and especially Sabatha Lewis for being the original foundation for all of these songs. You guys created the ABC Worship Sound! To the ABC Church Family: what a privilege to serve such wonderful people. To Father God: we praise You for the talents You have allowed us to have and we thank You for the opportunity to serve You with them!

This production has been quite a journey. Starting the church back in 2010 with no music at all was challenging for me as a musician. But God assured me that if I laid a foundation with His Word, it would draw musicians that love the Word as well. Six months after starting the church, a few musicians within the church began playing alongside me. We started making our own music and writing our own songs. Then Wendell penned our ABC Welcome song, which has exploded to over 30 variations today! Then God began to bring the band members that would follow the vision and desire to sow their musical talents into the ministry. These guys all work full-time jobs to provide for their families and yet they all sow their musical abilities into ABC in exchange for the Word they receive. I could not ask for a more solid group of guys to play and make music with. We are more than a band, we are a family and we have so much fun!

This particular project is very unique in that all of the music was created in-house. We did not go outside of our fellowship to get musicians, producers, or even singers. These are our singers and musicians. We recorded it at our church in our studio! God has blessed us to do an original project from the ground up at Adamant Believers Council with Adamant Believers! This is a dream come true and I am blessed as a pastor to be involved with such wonderful talents and musicians. Here at ABC, we do all original music and we are adding to our library monthly. Not to discount good music that others have created in the music industry, but for ABC, we have our own sound and we desire to keep creating that "New Song" that David mentioned so many times in the Word. We hope that this project is a blessing to you. It has been 5 years in the making and it is a true blessing to us to have finally completed it.
