Can Destroy. From the Minecraft Wiki: lvl: The level of the enchantment, where 1 is level 1. Saved as short when created by enchanting tables or loot tables, but read as an int and supports full int range. In layman's terms, the Survival means like loot tables, anvils, and enchanting tables save the number as a Short, but when they are actually applied to items, they are read as an Integer. Therefore, you don't need to stick to the Short data type just because that is what the enchantment tables use. You are allowed to use the Integer data type because that is how the enchantment levels are read. The maximum integer is 2,147,483,647. /give @s netherite_sword {Enchantments:[{id:"minecraft:sharpness",lv:2147483647}]} Some users are suggesting that higher enchantment levels are possible, like 2,177,548,418,058. These numbers are from Phoenix SC's video, where the title is "Duplicating OP Enchantments in Minecraft". This shows that the big number was only obtained by stacking enchantments, and is not the maximum level of a single enchantment. You can do what they did and stack your enchantments to obtain higher levels. Do note that attempting to exceed the maximum enchantment level using commands will not return an error, but note that the item you receive will have the enchantment level 0. This is because the invalid numbers become strings when inputted incorrectly, and because Minecraft is looking for an integer in the level, it does not register the number because it is a string! Requires creative mode or operator power on a multiplayer server. On a single player game (survival or hardcore), you will need "cheats" enabled to move into creative mode. Don't forget to leave creative mode when done. These items might be stupid. Be prepared to repair the country-side. These commands will create: 2 Diamond Pickaxes, both with Unbreaking CCLV (255) and Efficiency CCLV. Additionally, one will have Silk Touch, and the other Fortune C (100). 2 Diamond Shovels, both with Unbreaking CCLV and Efficiency CCLV. Additionally, one will have Silk Touch, the other Fortune C. 1 Diamond Axe with Unbreaking CCLV and Efficiency CCLV. 1 Diamond Hoe with Unbreaking CCLV. 1 pair of Shears with Unbreaking CCLV and Efficiency CCLV. 1 Diamond Sword with: Sharpness CCLV Smite CCLV Bane of Arthropods CCLV Fire Aspect CCLV Looting C Unbreaking CCLV The enchantments on these items are (much) higher than the game really "allows" but mostly work correctly. The Fortune and Looting enchantments are set to 100 because 255 produces a huge amount of items. Take note that the game doesn't know how to display these levels. Unbreaking CCLV, for example, shows as Unbreaking enchantment.level.255. Give yourself a command block: /give @p minecraft:command_block 1 0 Place 8 command blocks.
