

NON-TRADITIONAL BACHELORS DEGREE PROGRAMS FOR RETURNING ADULT STUDENTS

Programs offered at the listed colleges are designed specifically for adult students in order to help balance the various demands of school, work, and family. Program options include online and distance learning, life experience credit, cohort arrangements, and shorter program length. Depending on the transfer institution, students may take 30-90 credit hours at CLC before enrolling in one of these programs. Please see a CLC counselor or advisor for more information.
