### How risky is it?

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with a higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

#### Risk rating

Counsel has rated the volatility of this fund as **low to medium**.

This rating is based on how much the fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the fund's returns, see the "What are the Risks of Investing in the Fund?" section of the fund's simplified prospectus.

#### No guarantees

Like most mutual funds, this fund doesn't have any guarantees. You may not get back the amount of money you invest.

### How has the fund performed?

This section tells you how Series Private Wealth I securities of the fund has performed over the past 2 years. Returns are after expenses have been deducted. These expenses reduce the fund's returns.

#### Year-by-year returns

This chart shows how Series Private Wealth I securities of the fund performed in each of the past 2 calendar years. The fund's value has decreased in one of the 2 years. The range of returns and change from year to year can help you assess how risky the fund has been in the past. It does not tell you how the fund will perform in the future.

**Investors who:**

- are retirees or pre-retirees seeking monthly income through a global balanced fund to hold as a key part of their portfolio
- want a medium to long-term investment
- can handle the volatility of stock and bond markets
- desire protection from sustained periods of negative investment market performance
- desire fixed monthly distributions

**A word about tax**

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

**How much does it cost?**

The following tables show the fees and expenses you could pay to buy, own and sell Series Private Wealth I securities of the fund.

The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

**1. Sales charges**

Fee	What you pay
<b>Asset-Based Fee</b>	Series Private Wealth I securities are available exclusively to investors who have a fee based arrangement with their representative's firm. You and your representative decide on an annual asset-based fee of 0-1.5% based on the average daily market value of your investment. This fee is paid to your representative's firm and is in addition to the expenses payable by the fund. If instructed, Counsel will deduct the fees from your account by redeeming securities of a fund that you have designated in advance and will remit the proceeds to your representative's firm on your behalf.
<b>Switch fees</b>	If you switch between series of the fund or to another Counsel fund, you may pay your representative's firm a switch fee of 0%-2%.
<b>Inappropriate short-term trading fee</b>	A fee of 2% of the amount switched or redeemed may be charged by the fund for inappropriate short-term trading which is defined as trading within a short period of time (less than 30 days) that Counsel believes is detrimental to fund investors.
<b>Excessive short-term trading fee</b>	A fee of 1% of the amount switched or redeemed may be charged by the fund if you invest in the fund for less than 30 days and your trading is part of a pattern of short-term trading that Counsel believes is detrimental to fund investors.

**What if I change my mind?**

Under securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy mutual funds within two business days after you receive a simplified prospectus or Fund Facts document, or
