

Patient Health Questionnaire

IMPORTANT: Please send this completed form to the hospital where you will have your procedure/surgery. The hospital needs to receive this form at least one week prior to your admission. You can return (deliver, fax, scan and Email). If you post the forms, please allow 1-2 extra weeks for delivery.

Please complete this questionnaire carefully as the information you supply helps us to provide you with the best and safest possible care during your stay at our hospital. The questionnaire has four sections:

- A Your general health
- **B** In preparation for your hospital admission
- C In preparation for your procedure
- D Your current medicines

Section D Your Current Medicines

For your safety, it is extremely important that your doctors and nurses know precisely which medicines you are currently using.

Important instructions.

- 1. List below <u>all</u> medicines you currently use, and bring them with you to the hospital in their <u>original containers</u>
- To ensure you are clear what to include, please use the MEDICINE REMINDERS table (right→)
- 3. If you have a medication card or printout from your GP or pharmacist, please bring it with you to the hospital, as well as completing the list below.
