- Rank placement of positions shall be based on level of required training, level and extent of duties and responsibilities, and prevailing salaries for similar positions in the geographic area.
- Initial placement on the appropriate schedule will be determined by the President. Advancement in steps after the initial placement will be based on years completed in the position.
- Salaries shown on this schedule are base salaries for a 20-hour work week. Compensation for hours worked above 20 hours per week shall be computed by dividing the base by 1040, and then multiplying that hourly rate by the hours worked in the work week.
- For purposes of the Fair Labor Standards Act, the "normal" work week is forty (40) hours per week. Any employee, regardless of hours worked, who is covered by the Fair Labor Standards Act may become eligible for overtime benefits mandated by the Act only for hours worked beyond forty (40) hours per week.

2. The Salary Schedules are designed to include all personnel except "temporary" support employees, hourly employees working less than twenty (20) hours per week, and part-time instructors.
3. Appropriate job descriptions shall be developed and maintained for all personnel.
4. Full-time professional personnel, other than instructors, will not be paid additional monies for extra work. Under extreme circumstances, the Chancellor may approve an exception to this policy.

Initial placement on Salary Schedules B, C, and D which gives credit for prior experience outside of public education in Alabama must be approved by the Chancellor. Initial placement on Salary Schedules E and H, and on local salary schedules, which gives credit for prior experience outside of public education in Alabama is within the discretion of the President. However, all initial salary schedule placements which give credit for prior experience outside of public education in Alabama must adhere to the following principles:
 - The experience outside of public education in Alabama for which step credit is to be awarded for initial salary schedule placement purposes should be directly related to the requirements of the position.
 - The amount of credit that is given, for initial step placement purposes, for experience outside of public education in Alabama must be consistently applied college-wide.

Please refer to the Chancellor's Memorandum #2013-LGL-086, dated November 21, 2013, for further guidance.

If, after initial step placement, an employee moves from one salary schedule to another (as opposed to moving upward within a salary schedule – i.e., E4 to E2, or C2 to C1), the President shall have the reasonable discretion to determine which step placement in which to place the employee in the new position. Notwithstanding the foregoing, in all circumstances the President must ensure that applicable law, such as the Students First Act, and applicable policy and guidelines, such as the Uniform Guidelines, are followed, and that the employee is given full credit for prior work experience in the public schools, colleges, and Adult Education programs of Alabama.

6. Permanent support employees who work from twenty (20) to forty (40) hours per week but less than fifty-two weeks per year shall be paid amounts which equate on a *pro rata* basis to appropriate salaries contained in Salary Schedules E and H.

7. For the purposes of the Salary Schedules, a “year completed” shall equate to at least nine months of full-time employment during the respective Salary Schedule/ Academic Year (beginning either with the Fall Semester or September 1). Full-time college employees on leaves of absence for more than three months during the Salary Schedule/Academic Year are not eligible for step increases, unless otherwise required by applicable law.
8. Instructors, counselors, and librarians employed on Salary Schedules D-1, D-2, or D-3 on full-time contracts shall work the minimum number of days required by Board policies. Duty days and work hours for counselors and librarians shall be determined by the President of each institution, based upon the needs of the institution.
9. Step increases are awarded within the sole discretion of the Alabama State Board of Education. In budgetary crisis, step increases may not be implemented. Under circumstances when step increases are reinstated, each eligible employee will receive credit for one year as pertains to the Salary Schedules approved by the Alabama State Board of Education.
