

GET THE REAL DEAL.

Ford vs. JASPER

Staying on the technological cutting edge requires real resources...and Ford Remanufactured Power Stroke® Diesel engines have the engineering might of Ford Motor Company to help back them up. We remanufacture only Power Stroke Diesel engines, which helps increase our level of expertise...and we leave the complexity of producing engines for multiple manufacturers to competitors.

What does “OEM Specs” Really Mean?

Competing engine remanufacturers don't always have the resources that we do. And when it comes to remanufacturing Ford Power Stroke Diesel Engines to true Original Equipment specifications, **only we have proprietary Ford Engineering blueprint data. This intellectual property is not available to any competitor.** JASPER and other competitors have to reverse-engineer OEM product and attempt to duplicate the original.

Ford vs. JASPER Diesel Engines

Benefits	Ford	JASPER
Access to proprietary Ford Engineering blueprint data for true OEM remanufacturing specs.		No access to proprietary blueprint documents. Solution: Reverse-engineer a Ford Power Stroke engine.
All OEM replacement parts.		Parts replaced may be any brand or quality selected by JASPER.
Comprehensive two-year/unlimited mile limited warranty coverage on all engine components.* *See your Parts Supplier for a copy of the limited warranty.		Only 1-year coverage on: <ul style="list-style-type: none"> · Electronic fuel injectors · Hydraulic high pressure pumps · Turbochargers · Water pumps · Sensors · Sending units · Belts and hoses Excludes coverage on: <ul style="list-style-type: none"> · Oil, antifreeze, fluids or other substances · Towing charges <small>*JASPER Source: AD-E06-86-56940 12/3/18</small>
No-Risk Core Return Credit (no deductions for condition of core).		“Full credit will be given unless certain damages and exceptions noted in our core policy are found. Because the core policy on our remanufactured diesel engines varies according to several parameters, it is best to speak to one of our sales representatives to receive information as it relates to your specific engine application.”* <small>*JASPER Source: https://www.jasperengines.com/remanufactured-diesel-faq 12/4/18</small>

Compare Warranties and Warranted Parts

Ford backs its Power Stroke® Diesel engines with a two-year, unlimited-mileage limited warranty. This includes nationwide limited warranty coverage on every component included with the engine for the length of the warranty.*

*See your parts supplier for a copy of the limited warranty.

Compare the Warranty Processes

FORD	JASPER ENGINES
<p>Steps:</p>	<p>Steps:</p>
<p>1. Return the vehicle to any of the more than 3,000 Ford and Lincoln Dealers nationwide or to the originating place of service.</p>	<p>1. “The buyer must notify JASPER of any warranty claim prior to repair for assignment of an authorization number.”</p> <p>2. If approved, “the work will be performed either at JASPER’s factory or by another selected vendor.”</p> <p>3. “It is the sole responsibility of the buyer to pay for such work and, in writing, submit a claim with the alleged defective parts shipped prepaid to JASPER for its review and sole determination.”</p> <p><small>*JASPER Source: AD-E06-86-56940 12/3/18</small></p>
