In the video source above, Pastor Benny Hinn states that prior to this moment (in our generation), Jews were NOT willing to listen to the gospel, because, it spoke about their enemies who killed them (in the past). He goes further to state that, **for the first time in about 2,000 years (in Israel), Jews are now preaching to fellow Jews.**

From documents previously published (view links and sub-links in the REFERENCE section), I am opined to state that "THE LAST DAYS" and preceding/proceeding events spoken of today **is similar but different** from "THE LAST DAYS" and related preceding/proceeding events spoken of in the time of the Apostles. **#Dejavu**

For instance, I am of the opinion that THE WEALTH of the 'ungodly' to be obtained by God's people:

- Was fulfilled in the generation of the Apostles during the 1,000 years reign of Jesus Christ on earth at His 1st coming (which tallies with the seemingly mysterious 1,000 years of missing world history).
- Would be fulfilled in our generation when the wealth of kings (glory of the nations) would be brought into The Holy City (The New Jerusalem) following the Final Judgement at the 2nd Coming of Jesus Christ. **#HeavenOnEarth**

It is important we understand these seemingly Dejavu-like events in order to understand more where we are in biblical prophetic timeline (for more details, go through the links and sub-links in the REFERENCE section).

Shalom!
