# Zimsec o level combined science notes pdf download

The Cambridge O Level Combined Science syllabus develops learners' basic scientific abilities in physics, chemistry and biology. Click the links below to download chemistry notes CHEMISTRY NOTES DOWNLOAD LINKS Chemistry Notes 2 Chemistry Notes 1 COMBINED SCIENCE#1 Chemistry Forms 3-4 These GCSE subject content criteria sets out the assessment objectives, knowledge, understanding and skills, for GCSE specifications in combined science, to ensure progression from key stage 3 national curriculum requirements and the possibility of development into A level. They provide the framework within which awarding organisations create the detail of the subject specifications. GCSE study in combined science provides the foundations for understanding the material world. Scientific understanding is changing our lives and is vital to the world's future prosperity, and all students should be taught essential aspects of the knowledge, methods, processes and uses of science. They should be helped to appreciate how the complex and diverse phenomena of the natural world can be described in terms of a small number of key ideas relating to the sciences which are both inter-linked, and are of universal application. These key ideas include: For more also visit Academia Laboratory To get latest education videos, subscribe to our youtube channel by clicking the link below Academia Laboratory Also like our facebook pages Geography Laboratory Academia Research Institute Exam Resources The Zimbabwe School Examinations Council (ZIMSEC) O level results have been released and published online.
