Next week, AMERICAN TOP 40 presents a four-hour special:
 "The 40 Top Hits of the Disco Era...the songs that made it
 in America's disco's and on the pop singles charts."

To come up with this special tabulation, the AT40 research
 and statistics people analyzed each week's Billboard Hot 100
 for the period beginning July, 1974 (when "Rock the Boat"
 hit number one) through June, 1979. Casey will count down the
 40 biggest disco hits in this five year period that represents
 the birth and formative years of the disco era.

To help you promote the special, which is show #793-1,
 scheduled for broadcast the weekend of June 30-July 1, 1979,
 we have included four promos on this week's program discs.

Here's how to find them:

Refer to the log for show #792-13. The promos
 are banded at the end of side 4B.

The times are as follows:

- Promo #1 :23
- Promo #2 :20
- Promo #3 :17
- Promo #4 :23

We suggest your dubbing the four promos to cart and laying in a
 heavy on-air schedule starting June 25 through air time for your
 broadcast of the special.

Be sure to keep #793-1 in your files. It's the first four-hour
 emergency replacement show AT40 has produced; something perfect
 to have on hand when the winter winds begin to howl once again!
