EAST CENTRAL COLLEGE

COMMUNITY EDUCATION

ECC's Community Education Department coordinates a variety of summer programs. With over 30 years of summer program experience, we are proud of the exceptional quality and variety of our programs which include everything from ukulele lessons to frog dissection, robotics to archery, and many other interesting topics.

We are committed to offering our campers an enjoyable and enriching experience with programs designed to stimulate curiosity and creativity, develop talents, and encourage exploration and personal growth. Along with some old favorites, we are excited to offer several new programs this summer. The majority of camps will be held at East Central's main campus in Union and the ECC site in Washington.

No one knows your child better than you. The ages specified for the camps are intended to be guidelines. If you have any question regarding the appropriateness of a camp for your child, please contact us at 636-584-6528.

The fee listed for each camp is the only expense.

PRIVATE VOICE LESSONS

Private instruction is the best way for anyone to learn how to sing. The one-on-one instruction means that students are given instruction that best suits how they as an individual learn. With private lessons a teacher can focus 100% of their attention on that one student to ensure that things such as tone, posture or understanding of a particular concept are correct. If a student has a particular difficulty in one area, the teacher can work on it without hampering the progress of a class and alternatively if a student is excelling in one area, the teacher can move on. Students will receive 14 half hour private lessons. Students will learn proper vocal techniques and how to sing a wide variety of musical styles, and, more importantly, have fun! Open to all ages, including adults.

Cost: \$300

CE0100-MUU13

GUITAR LESSONS

This is a great opportunity for anyone who has ever wanted to take guitar lessons. No matter what your age, students can get 10 private 30-minute lessons for an incredible price. Beginners as well as the experienced musician are welcome. Learning to play a guitar requires an investment of time. It is fun and intrinsically rewarding. While studying the guitar, you will achieve a balance between hard work and fun. Instruction will be by East Central College music majors, coordinated by Dr. Jennifer Judd, and will be held on the Union campus. Open to all ages, including adults.

JOURNALISM CAMP

This camp may be perfect for your child if he or she enjoys taking photos, writing descriptive nonfiction, solving mysteries, following the latest news, asking questions, observing details, making home movies, taking thorough notes, listening carefully, respecting but not being intimidated by authority figures, acquiring the first news scoop, and researching issues. What are leads, and why is that triangle upside down? How can you find and tell the stories that are all around you? This camp will explore the fundamentals of journalism and how all of the parts work together to create news and feature stories. Throughout the week, campers will work on writing stories, taking photographs, and creating an online news source. Students who are interested in writing, journalism, or mass media are encouraged to sign up. Parents will have to sign an online usage agreement for their camper. Grades 5-9.

HOW TO START YOUR OWN BUSINESS

The lemonade stand has been a simple rite of passage for generations of children. Many kids have taken it to a new level. As part of a four-day entrepreneurial camp, kids will learn the basics of running a successful business. Campers will put what they've learned to use by designing, marketing and creating their own product. This is a wonderful way for kids to learn the basic building blocks of starting a business from one of Bank of Franklin County's instructors. Parents will need to sign a technology usage form. On the final day of camp, campers will take home any earned profits from this camp. Grades 5-8.

BABYSITTER TRAINING

The American Red Cross has just revised its popular Babysitter's Training and has classes available for young adults looking for ways to earn extra money this summer. This class is great for developing leadership skills and students gain the confidence to make smart decisions while babysitting. The American Red Cross Babysitter's Training provides young adults who plan to babysit the knowledge and skills necessary to safely and responsibly give care to infants and children under their watch. The course is fun and fast-paced with hands-on activities, an exciting video, role-plays, and lively discussions. Participants will receive a take home handbook and a certificate for completing the course. Participants should bring a sack lunch. Ages 11-14.

ARE YOU A KATNISS OR ROBIN HOOD?

A lifetime sport is any recreational activity that can be practiced throughout a person's life. One of the best lifetime sports for anyone, regardless of age, gender, or physical stature, is archery. Since archery is so widely accessible, it attracts people from all walks of life, making it an incredibly social way to get exercise. Learning to shoot a bow and arrow properly is important for success and can be accomplished by anyone. Please don't bring your own equipment, the Missouri Dept. of Conservation is providing everything needed for the camp. Missouri Dept. of Conservation teaches this course for free. The nominal registration fee is intended to cover administrative costs. Please call 636-584-6529 if you have any questions regarding these costs. Must be 9 or older. Proof of age is required.

WILD CAVING

Get ready for adventure! We will be exploring one cave for the day - Fisher Cave. We are very lucky to be able to offer this day camp. Due to the White Nose syndrome that bats are getting, many caves are closed. Wear shoes/boots that can be laced up tight. All clothing and gear (...that you don't mind getting coated in clay) going into the cave can not have been used in any other cave. You must pack a fresh set of clothing and footwear so that vehicles and landscape are not potentially contaminated. Your dirty gear must be bagged for transport. We ask that you pack a lunch and bring a flashlight and a refillable water bottle. We will provide caving helmets, helmet lights, instructors and first aid equipment. Families are encouraged to come. We have a very limited number of caving permits for this camp. Ages 9-12.

EARTH'S MAGNETISM

Did you know that our native snakes and salamanders use magnetism to navigate themselves back to specific places for hibernation, breeding pools of water, and to thoroughly know their home range? Did you know that scientists have recently discovered that birds can see a color associated with the earth's magnetism? There are still so many hidden secrets still behind the power of the earth's magnetism. Earth's Classroom will share what we know about magnetic research, then let us test your skill with the use of a magnetic compass and help you navigate to specific locations and cross terrains to find hidden treasures! On June 19, we will meet at Meramec State Park at the Fisher Cave Parking Lot. Each camper will have to sign a Dept. of Natural Resources permit and an accident waiver form. Ages 9-12.

MEDIA SCHOOL

How people think about themselves, and how they think about other people, directly relates to the media that they consume. Participants in the Media Literacy Bootcamp will learn how to be good critical consumers of the media that surrounds them--ads, films, TV shows, news, literature, the Internet, and social media. Knowing how to watch, read, and produce media conscientiously is becoming more and more important as young people are bombarded with images and messages from the mass media every day. Participants will focus on reading those messages critically through age-appropriate examples (focusing on diversity), and learning how to responsibly use social media. Grades 5-9.

ALL SUMMER LONG AT ECC!

SUMMER ROAD CONSTRUCTION AT UNION CAMPUS

Please allow extra time if you will be bringing a child to camp at the ECC campus in Union. This summer, construction of a roundabout at the main entrance to campus could cause delays. **Drivers accessing campus off of U.S. Hwy 50** will still be able to turn on to Prairie Dell Road and proceed southbound into the college entrance.

All drivers will exit campus to the south off Audrey Lane.

Drivers coming to campus from the south (taking College Road to Prairie Dell Road) should enter campus by turning left on to Audrey Lane.

SUMMER CAMP REGISTRATION FORM

Registration will be accepted on a first-come, first-served basis with total fee payment due at the time of registration. East Central reserves the right to cancel any camp session for which there is insufficient enrollment.

Withdrawal/Refund Policy

Camps may be rescheduled or consolidated due to low registration. In that event a 100% refund is issued. Should you choose to withdraw, you will receive a refund (less a \$5 withdrawal fee) if you notify us at least three days prior to camp start date. No refunds are issued for a withdrawal within 72 hours of camp start time.

Only one registration form per camper. Feel free to make copies if needed.
