WHAT'S HAPPENING

NFHS Coaches Association Award Program

We are proud to announce that, again this year, the Board of Control has given TSSAA permission to participate in the NFHS Coaches Association Award Program. This program is designed to recognize State Active Coaches of the Year and Sectional Coaches of the Year in each sport sanctioned by the Association. Coaches are selected based on their accomplishments the previous school year. State and Sectional Coach of the Year winners will receive a certificate from the National Federation recognizing their accomplishments. Sectional Award winners will also be considered for the NFHS National Coach of the Year Award. A National committee will select the National Coaches of the Year and these individuals will receive a plaque from the national office recognizing their accomplishment. Each state is also allowed to nominate one Citation (Coach) nominee. NFHS Citations are presented to individuals who have made significant contributions to the NFHS and/or other national organizations that have had an impact on high school activities. Nominees for Contributor of the Year must exemplify the highest standards of sportsmanship, ethical conduct, moral character, and carry the endorsement of their respective state high school association.

Coach Jackson took over the Bradley Central wrestling program in 1979. He was named athletic director in 2002, and continues to hold that position today.

Turner is married to the former Liz Hannah, who was also a stand-out athlete. Turner and Liz have two daughters, Brittany and Lindsay.

Mike was a high school wrestling state champ at Anniston High School and continued his wrestling career at UTC. Mike received the Most Improved Wrestler Award while at UTC in 1974. One of Mike's biggest thrills was watching his son Josh win a state championship while wrestling for East Ridge High School. Josh has followed in his father's footsteps and is now a polished wrestling official with the Chattanooga Wrestling Officials Association.

TSSAA proudly salutes Mike Craft as is Distinguished Service Award Winner in the Officials Category.

COACH - James Counce

TSSAA is proud to recognize James Counce as its distinguished service honoree as a coach.

James Counce played football at South Fulton High School and Murray State University before embarking on a coaching career at Ohio County, Kentucky, and Marshall County Kentucky. He then became an assistant coach at Henry County High School in the mid-1970s.

After leaving Henry County High School, Coach Counce was head coach at Camden for a year before spending 11 years at Dyersburg. He left Dyersburg for a one-year stint as an assistant coach at Montgomery Bell Academy in Nashville before returning to Dyersburg as head coach in 2008. He retired after leading Dyersburg to a 10-3 record the 2008 season, but could not turn down a chance to return to Henry County.

Coach Counce's record at Henry County High School speaks for itself. He is the winningest football coach in Henry County High School's history. He posted a 74-38 record from 1984-1993. His best seasons were an unbeaten regular 10-0 season in 1985 and a 12-2 with a semifinal berth in the Class AAA playoffs in 1992. In 2010 Henry County had a 10-2 season while going to the second round of the playoffs. In 2011 their record was 15-0 and they went on to win the 5A State Championship.

Counce spent 40 years coaching football and has an overall record of 185-90. He was named the Tennessee Titans Coach of the Week twice and won several Coach of the Year awards. He also served as an assistant coach in the Tennessee vs. Kentucky All-Star Game in 2004 and 2005, and was the head coach for Tennessee in 2006.

TSSAA is proud to recognize Chip Cirillo for his contributions to high school athletics and the student athletes across the state.

2011 A. F. BRIDGES AWARDS 2012

As part of the "JUST DO WHAT'S RIGHT!" program, TSSAA recognizes member schools that have made the effort to remind their athletic family that there is a particular code of conduct, a particular level of expected behavior, and a way to act that is proper if one wishes to be a part of an athletic contest, regardless of how they participate.

"JUST DO WHAT'S RIGHT!" focuses on the foundation of what we hope all participants will do. Just do what you are supposed to do in representing yourself, your family, your school and community.

Those schools that received no reported unsportsmanlike conduct incidents during the 2011-12 season have received a certificate highlighting the "JUST DO WHAT'S RIGHT!" logo and this effort. We are specifically recognizing proper sportsmanship at athletic contests, but we all understand that the athletic contests are a small part of our educational program.

DIVISIONAL AWARDS

Local officials associations have been asked to nominate schools that they service that have displayed this overall positive effort to teach, expect, and demand a positive atmosphere of sportsmanship at their particular contests. Member schools have also been asked to nominate individuals or schools for special recognition for going the extra mile to do what's right. Nominations have also come from representatives of the Tennessee Observers Program for Sports. The TOPS observers have shared the positive efforts that have been recognized at athletic contests across our state.

From these nominees and the schools that have received no reported unsportsmanlike conduct during the previous school year, 27 schools have been selected to receive the A.F. Bridges Award at the divisional level. Three Class A, three Class AA, and three Class AAA schools in each grand division have been recognized for a total of nine schools in each division and 27 schools overall. These schools will be presented "**JUST DO WHAT'S RIGHT!**" recognition banners at the regional meetings in each grand division of our state during November. Again, the TSSAA Board of Control has earmarked \$27,000 toward a scholarship fund to recognize outstanding student athletes from the A. F. Bridges Divisional Finalists. Each school will receive \$1,000 toward a scholarship to recognize an outstanding student athlete who represents the essence of good sportsmanship and citizenship. The criteria for this scholarship will be established by the school, and student athletes will be recognized later during the school year.

STATE AWARD OF EXCELLENCE

Of these 27 divisional recipients, one school in each class will receive Tennessee's top award for overall outstanding effort in its division. These schools will be presented the A.F. BRIDGES STATE AWARD OF EXCELLENCE. This is the highest award that can be bestowed upon a school to honor its overall efforts to promote citizenship and sportsmanship at school, and at athletic contests.

ATHLETIC DISTRICT AWARDS

The A.F. Bridges Awards program includes awards for School System Administrator of the Year, Principal of the Year, Athletic Director of the Year, Female Coach of the Year, Male Coach of the Year, Official of the Year, and Contributor of the Year. Recognition will be made in the above mentioned categories in each of the nine athletic districts in our state. Nominations have been made by a Citizenship/Sportsmanship Committee in each athletic district and final selection has been made by a State Selection Committee.

The awards are named the A.F. BRIDGES AWARD in honor of the TSSAA's first executive secretary.

A.F. BRIDGES

A.F. Bridges was born in Athens, Louisiana on March 17, 1905. He attended school in Lincoln County, Tennessee and graduated from Central HS in Fayetteville in 1922. He earned his B.A. and M.A. from Peabody College in Nashville. He began his work as a teacher and coach at Peabody HS in Trenton, and after a number of years with the Milan, Henderson, and Covington schools, he returned in 1936 as Superintendent of the Trenton schools. Soon after, he became the Superintendent of the Covington City Schools. After three years in Covington, Mr. Bridges was named as the first full-time Executive Secretary of the Tennessee Secondary School Athletic Association and established the first TSSAA state office in Trenton in 1946. Under the leadership of A. Foster Bridges, athletics in the state of Tennessee reached a level of excellence and competence that earned the respect of all people. Mr. Bridges brought national recognition to Tennessee in HS athletics, and particularly in the field of girls' athletics and in the establishing of one of the most respected training programs for officials in the nation. Mr. Bridges was a person of high principles who displayed firmness and fairness, as well as the high ideals of ethics and integrity, as he and many other school people established the foundation of TSSAA across our state. It is our sincere wish that through honoring Mr. Bridges by naming this awards program after him, we will have the opportunity to remind young people of the positive characteristics, not only of this gentleman, but of athletics in general and participants specifically.

CORPORATE SPONSORS

The corporate sponsors and supporters play an integral part in the TSSAA and the TSSAA State Championships. TSSAA would like to thank our corporate sponsors and supporters for their dedication and hard work this fall during the state championships.

BlueCross BlueShield of Tennessee - BlueCross Invites Fans to Show Their School Spirit

While this year's BlueCross Bowl teams were busy battling it out on the field, BlueCross BlueShield of Tennessee took the competition off of the field and into hometown communities with the first-ever BlueCross Bowl Fan-Faceoff.

The competition pitted fans against each other to determine which school had the most school spirit. Each school was assigned a unique keyword and fans were challenged to text that keyword to a specific number before the clock ran out in their respective games. The school with the most texts received a \$1,000 donation from BlueCross.

The Fan-Faceoff allowed students, parents, faculty and hometowns to show support for their championship teams while providing BlueCross an opportunity to give back to the communities that are so important to the success of the BlueCross Bowl. Congratulations to the following Fan-Faceoff winning schools: Webb School of Knoxville (II-A), Ensworth (II-AA), Gordonsville (1A), Adamsville (2A), Milan (3A), Covington (4A), Columbia Central (5A) and Maryville (6A).

And in other sports news, BlueCross Championship Series calculations will be posted in February!

TMSAA REPORT

The Tennessee Middle School Committee met for the first time this school year on November 14th. Members in attendance were Chic Nute, Vic King, Ken Hilliard, India Weaver, Tim Bell, Matt Calvert, and Jason McKinney. Mr. McWhirter welcomed new committee member, Jason McKinney. He represents the Chattanooga area.

Committee members were given a list of new member schools, and they decided on the appropriate Area for each new school. Unaka Elementary School will be classified as East TN Area 1 A; Grand Junction Elementary School, Adamsville Elementary School, Summertown Elementary School, Coulter Grove Intermediate School, and Montgomery Ridge Intermediate School are only participating in cooperative programs; Westwood Middle School will be placed in Middle TN Area 4 AA; Southern Avenue Middle School and Grandview Heights Middle School will be classified in West TN Area 1, and their class will be determined after their enrollment numbers are confirmed.

The committee discussed setting the classification for the next four years. The TSSAA state office will provide the committee with the 7th grade enrollment number that are turned into the state by the schools in January. Using those numbers, each area of the state (east, middle, and west) will set their classification. East TN and Middle TN will have three classes each and West TN will have two classes. The new classification will be set in April, and the classification period will be for four years, keeping in line with the high school association. Schools will only be allowed to move up or down within that period if they appeal the TSSAA state office and have a 20% increase or decrease in their enrollment numbers.

The TMSAA Committee discussed why schools do not join the TMSAA in certain areas of the state. The Independent Game Rule once

again came up for discussion. Mr. McWhirter asked the committee members to bring more feedback from their schools to the next meeting. Other issues brought up were: member schools and who they can play, schools must join the association for all sports that they recognize, and there is a lack of tournaments for some sports in parts of the state. Mr. McWhirter and Mr. Bell plan to meet with system-wide athletic directors in Middle Tennessee to discuss these issues further.

It was asked that the committee members submit their area and sectional basketball information to the TSSAA state office as soon as possible, so it can be posted on the website.

The Committee reviewed the TMSAA Sports Calendar. All agreed that the changes made last year make the calendar easier to follow. Chic Nute proposed increasing the number of games allowed in softball and baseball from 16 to 18. The committee approved the proposal, and it will be brought before the TSSAA Legislative Council at their December meeting. The committee was reminded that tournaments count as 2 regular season games for all sports. However, the season-ending tournament does not count against the number of regular season games that are allowed. The committee agreed that if the high school sports calendar changed its wording from, "Monday, week of..." to "Saturday, week of..." they would recommend that the middle school calendar be changed as well.

The Committee reviewed the TMSAA Bylaws. No proposals were made at this time. They did discuss the possibility of the Coaches Education Program moving entirely online through the NFHS, rather than having a component of the program in a classroom setting. If this were to occur, the course would cost less, and it would be easier for coaches to take the class because they would not have to reserve a spot and travel. The possibility of non-faculty coaches being required to complete the course prior to beginning coaching rather than having 5 years to complete the requirement was also discussed.

Mr. McWhirter will have the proposed state-wide officials pay scale for middle school sports available for committee members at the next TMSAA meeting.

The next TMSAA Committee meeting is set for February 13, 2013, at 9:00am.

2012-2013 GOLF RULES MEETINGS

The golf rules meetings for the 2012-13 school year will be given online. Information regarding the dates of availability will be posted soon on www.tssaa.org and will be e-mailed to schools.

THE RIGHT TEAM

Two things: both cute for different reasons. The pictures are my grandchildren, three little girls. It was a surprise gift. They came over and took two of my magic hats from my magic room. Yes, I have a magic room. Come to think of it, we all should have a magic room. The second is a story from a children's pastor friend of mine. I loved it and thought you might as well.

We are open for business this semester. Drop Courtney an email at Cbrunetz@tssaa.org to sign up for the Magic of Stephen at your school. Hope to see you soon.

Subject: Sermon

A Baptist pastor was presenting a children's sermon. During the sermon, he asked the children if they knew what the resurrection was. Now, asking questions during children's sermons is crucial, but at the same time, asking children questions in front of a congregation can also be very dangerous.

Having asked the children if they knew the meaning of the resurrection, a little boy raised his hand. The pastor called on him and the little boy said, "I know that if you have a resurrection that lasts more than four hours you are supposed to call the doctor."

It took over ten minutes for the congregation to settle down enough from their laughter for the worship service to be continued.

CHEERLEADING COACHES CONFERENCE AND A.D.'S CONFERENCE

The sixteenth annual Cheerleading Coaches Conference will be held at the Embassy Suites in Murfreesboro on April 22 - 23, 2013. Information concerning both conferences will be available on the TSSAA website in the near future.

The cheer conference is sponsored by the Universal Cheerleaders Association, the Tennessee Cheer Coaches Association and the TSSAA.

The conference will begin on Monday, April 22, with registration at 8:30

a.m. with the first session beginning at 9:00 a.m. Monday will be a full day of sessions on cheer and dance technique, safety, and administration. There will also be an awards luncheon on Monday where a Cheerleading Coach of the Year will be named from East, Middle, and West Tennessee. Administrators will be sent nomination forms by fax to nominate their cheerleading coach/sponsor. On Tuesday, April 24, the ACCA Cheerleading Certification Course will be administered beginning at 8:00 a.m. until 1:00 p.m.

We strongly urge you to consider attending these conferences. They offer many opportunities for learning, leadership, and fellowship. Make your plans now to attend.

GET TO KNOW YOUR TSSAA STAFF

Shonnie Speicher started her journey with TSSAA as an Administrative Assistant for Assistant Executive Director Bernard Childress in January of 1996. At that time, Mr. Childress was in charge of the TMSAA, Non-Faculty Coaches, the ASEP Coaches Education Program, Girls' Softball, and Cross Country. Her additional duties included handling awards, publishing state tournament programs, and updating the TSSAA website. When Mr. Childress was named Executive Director,

Shonnie's responsibilities shifted more towards the TSSAA website and overseeing technology within the state office.

Shonnie grew up in Jacksonville, Florida, where she graduated from Nathan Bedford Forrest High School in 1990. She attended Trevecca Nazarene College the following fall where she played volleyball and majored in physical education. The following year Trevecca added softball as a collegiate sport and Shonnie played on the first four teams Tevecca fielded in softball. She graduated in 1995 with a B.S. in Physical Education and a B.S. in General Science. Shonnie later returned to Trevecca Nazarene University and graduated with an M.A. in Organizational Management in 2000.

Shonnie married Loren Speicher in 1994. They currently reside in Gallatin and have one daughter: Deanna, 7, who is in first grade at Union STEM and Demonstration School.

In 1996, Earl Nall developed the TSSAA.org website in a part-time capacity while working at the Nuclear Facilities in Oak Ridge, Tennessee. In 2002 Earl retired after 32 years of service in Oak Ridge from his job as a statistician, statistical programmer, and technology consultant to become Director of Technology at TSSAA.

Earl's duties at TSSAA include all areas of technology along with other duties of writing software to manage the football playoff system, collecting data and producing enrollment analysis for setting classification, and any other projects that involve managing or analyzing data, programming, and software maintenance. His main focus at this time at the TSSAA office is leading the development of moving TSSAA work, website, and communication tools to mobile platforms in order to increase effectiveness of TSSAA staff in keeping contact with member schools.

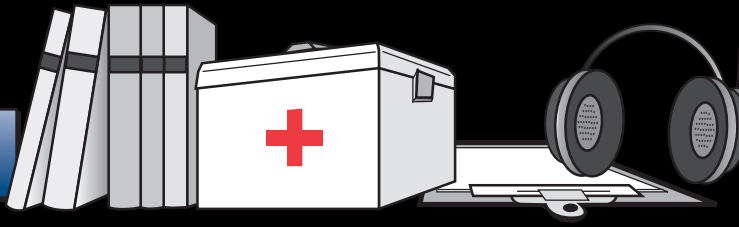

Earl serves as the Section 3 (southern states) representative to the NFHS (National Federation of High Schools) on the national technology committee. He also serves on an advisory committee to East Tennessee community colleges on what their course offerings should be in their computer science curriculums. Earl is a frequent speaker on technology at NFHS national meetings and has given talks at the TSBA's (Tennessee School Boards Association) state meetings.

Earl and his wife Joyce reside in Kingston. Joyce works as assistant to the County Executive in Roane County. They have a daughter Sara, who lives in Knoxville and works at an engineering firm. Sara also develops training software and compiling football records for the football playoffs for TSSAA. Earl has been active in education outside of TSSAA by serving on the Roane County school board for 12 years.

Earl became a member of the TSSAA Hall of Fame in 2006.
