Term 1 Week 4

Wednesday 21st February 2018

Parent Information Session

Thank you to all the parents who were able to attend our Parent Information Session last Tuesday. In the session we spoke about what apps/programs we are using in our school this year including Seesaw, Skoolbag, Google Suites for Education including Google Classroom and Minecraft: Education Edition. Login and download details went home with students for those parents who couldn't attend. After receiving parent feedback we have decided to run a "How to" session next term for those parents who are interested in learning how to use Google Suites for Education at home.

Behaviour Notifications

From now on if your child receives a time out for not following our school core values a behaviour notification letter will be sent home. The letter will let you know what your child has done and how the issue was handled. There is a slip for you to sign and send back to school to let the staff know that you received the notification. Any serious or repeat issues will be handled with a phone call home.
