MISSION PARAMETERS

Greetings Special Agent.

I assume you have accomplished the preliminaries of your mission by infiltrating Another Anime Co-Apologies. Top Agent 'Snuggles' says that infiltrating is not necessary.

Regardless, you have obtained entrance and are now an official attendee of Another Anime Convention 2019! Congratulations, Agent. You can now begin your true mission this weekend:

Mission 1) Have an Awesome Con, and Mission 2) Be Excellent to Each Other. That's it. Don't you love straightforward missions?

Signing off for now, Charley
(Not *that* Charlie. The R is silent)

LETTER FROM LISA

THE CONVENTION CHAIRPERSON

Hello everyone,

Welcome to Another Anime Con 2019!

We hope you are ready for another excited year as we dive into our theme of Secrets and-*BRZZZZZZT*

Attention Another Anime Con attendees, agents, and assorted peoples.

We interrupt this welcome message with important intelligence that required immediate communication. A dastardly organization has infiltrated AAC and your assistance is needed to identify the leader and name of this organization.

Coded messages will be delivered via our Agent Snuggles and Charley through Guidebook and the AAC Newsletter, and it is imperative that we stop this organization before it is too late. Their infiltration could already be underway and our communication must remain brief for our safety and yours.

We wish you the best of luck, AAC attendees, agents, and assorted peoples, as it is only with your help that our Agent Snuggles and Charley can catch the leader of this truly reprehensible organization.

Expect more communication soon.

Organization L.I.S.A.

RULES AND GUIDELINES

Attention AAC Agents! Although the priority mission is to have fun and therefore Have an Awesome Con, there is a code of conduct for interacting with the other agents on site and with the venue. A good Agent leaves no trace behind. And by that, we mean you clean up after yourself in public and hotel areas, and don't break the facilities.

GUEST PROFILES

Alright agents, here's your first intel on the foreign dignitaries at the event. Be sure to review the files here. For even more info on their work, many of which you will be familiar with, check their websites. They are all on what Agent Snuggles refers to as 'social media' and Agent Grandma calls 'the Facebooks'.

Remember to scout the area for the most up-to-date autograph and panel times! They'll be posted on the schedule and newsletters throughout the weekend.

...Agent Snuggles has also informed me that the dignitaries may not actually be foreign. Well. I guess that's why we have that saying about when we 'assume' things. Charley out.

J. MICHAEL TATUM

Cast as Rikichi in 2005's *Samurai 7*, Tatum's inexplicable luck has held long enough to see his flag hoisted on a slew of dream roles, most notably Kyoya Otori in *Ouran High School Host Club*, suave, demonic Sebastian Michaelis in *Black Butler*, France in the *Hetalia* franchise, Tomoe from *Kamisama Kiss*, and the equal parts maniacal/vulnerable Okarin Rintarou from *Steins;Gate*. And as if being involved with so many awesome shows wasn't enough, in late 2007 the fluky so-and-so tempted fate by officially branching out into ADR directing and adaptive scriptwriting. His ADR directing credits to date include *Aquarion*, *Jyu-oh-Sei*, *Romeo X Juliet*, *Big Windup*, and *Shikabane Hime (Corpse Princess)*, while his writing credits include substantial work on *Ouran High School Host Club*, *Heroic Age*, *Initial D*, *Blassreiter*, *Ga Rei: Zero*, *Hero Tales*, *Legend of the Legendary Heroes*, *Fractale*, *Deadman Wonderland*, *Steins;Gate*, *Assassination Classroom*, *Dragon Ball Z Kai*, and *Attack on Titan*.

He also co-hosts *Ghoul Intentions*, a spooky podcast dedicated to creeping you out. And before you ask, the "J" stands for... Well, it stands for whatever you'd like it to.

Our Manga Library is constantly growing, so check back every year for new finds! We do our very best to collect whole series' and especially to get our hands on Volume 1s, so you can start anew or pick up where you left off.

SCHEDULE INFORMATION

We're almost to the vital information on events. Be sure to review this guide on other mission data. Success in the Awesome Con Mission is dependent on understanding how to plan your day. Agent Snuggles would like to add that 'winging it' is an acceptable form of Having Fun, but I'm not sure I believe him. Charley out.

Printed Schedules

Pick up a copy of the newsletter to check out yesterday's highlights. They're available near Registration and the Info Desk. And there's a schedule of the current day on the back!

Reading the Schedule

The schedule is laid out on a grid. The top line is the name of the room, and the leftmost column is the time. The panel's starting time is the top block of the event. Check out the example on this page!

Most panels end on the quarter hour this year (5:45 instead of 6:00, for example). This will help you get to your next event on time! For the sake of keeping the printed schedules readable, these will not be typed out. Trust us, it fits better on the page this way.

In the example schedule below:

- Opening Ceremonies begins at 12 PM in Main Stage.
- Fan Painting and Cosplay 101 begin at 12:30 in Salon D and Frost, respectively.
- After Opening Ceremonies, the AMV Contest runs in Main Stage and Win Lose or Draw starts in Salon A.
- A panel called So You Wanna Staff an Anime Con starts in Frost at 1:30 and runs for an hour.
- Chibi Cookies starts at the same time in Salon D, but will not end at 2:30 (notice how the panel in Frost has a line at the bottom but Chibi Cookies and the AMVs do not. If there was more schedule in the picture, they would keep going).
- In Salon A, Win Lose or Draw wraps up at 2 and setup begins for a concert.

Scheduled Time	Main Stage	Salon A	Salon B	Frost
Friday 12:00 PM	Opening Ceremonies		Fan Painting	Cosplay 101
Friday 12:30 PM				
Friday 1:00 PM	AMV Contest	Win Lose or Draw	Chibi Cookies	So You Wanna Staff an Anime Con
Friday 1:30 PM				
Friday 2:00 PM		Concert Setup		

Room names may change. Check the current year's schedule and/or map.
