Official fuel consumption figures for the Aston Martin V8 Vantage Coupe in mpg (l/100km): urban 14.4 (19.6), extra urban 27.2 (10.4), combined 20.5 (13.8). Official CO2 emissions 321 g/km.

Finance example is based on an Alphera Select agreement for the model stated, an Aston Martin V8 Vantage Coupe (VANTAGE 2dr [420] - 2008), with a contract mileage of 18,000 miles and an excess mileage charge of 26.34p per mile. Offer available to retail customers only at participating UK Aston Martin dealerships. Vehicles must be registered before (31 March 2014). Subject to availability. **On the road cash price is based on manufacturer's recommended retail price and includes a 3 year warranty, 12 months' road fund licence, vehicle first registration fee, delivery and VAT.

***Optional final payment payable at the end of the agreement if you decide to purchase the vehicle. Excess mileage charges and vehicle condition charges may be payable if you return the vehicle. Prices are correct at time of publication (October 2013) and are subject to change without notice. Finance is subject to status and available to over 18's in the UK only (excluding the Channel Islands and Isle of Man). Terms and conditions apply. Guarantees and indemnities may be required. Advertised finance is provided by ALPHERA Financial Services, Europa House, Bartley Way, Hook, Hampshire RG27 9UF.

V8 VANTAGE

TOTAL CONTROL

ASTON MARTIN

A TRUE SPORTING THOROUGHbred

Vantage was born from an ambition. An ambition to create an Aston Martin which retained the renowned GT capability of DB9 and Vanquish but with a lighter, more compact body shape. Taking 100 years of Aston Martin design expertise and technical knowledge we produced a car which looked back to a legendary Aston Martin model name, but looked forward to a new era of pure sporting ability.

The 2013 V8 Vantage now offers two transmission options. A six-speed manual remains for those preferring the traditional control of a stick-shift sports car. Alongside this is a new seven-speed Sportshift™ II, replacing the previous six-speed version. With an additional gear, closer ratios, lower final drive and a quicker, refined shift quality, this new gearbox – designed and manufactured specifically for Aston Martin – provides faster shifts and optimised acceleration.

Each V8 Vantage displays an interior of exquisite quality. Expert craftsmen have used the finest materials are used to create a driver and passenger environment of exquisite finesse. Powered by the lightweight, compact 4.7ltr engine, V8 Vantage delivers a broad spread of effortless, exploitable performance. Producing 420 BHP of peak power and 470 Nm of torque, V8 Vantage sprints from 0-62mph in just 4.9secs with total control.
