2015/16 Provincial Examination Schedule

IMPORTANT NOTES

1. Exam start and end times must be adhered to by all schools. However, if necessary, schools may begin an exam up to one hour before the scheduled start time to accommodate local schedule conflicts (e.g., bus schedules). Students must remain in the supervised exam room for a minimum of one hour after the original scheduled start time (e.g., begin exam at 12 noon but ensure students do not leave until after 2:00 p.m.).
2. There may be instances when a student needs to write exams scheduled in the same time slot. When this happens, allow the student to write the first exam, receive a suitable supervised break and then write the second exam.
3. In November, April, May and August all exams are electronic only.
4. Translation of Grade 12 exams is determined in September of each year by request from the Conseil scolaire francophone.
5. All August exams are offered through a student's school or district. Students should check with their school prior to the end of the school year to determine exam registration procedures for their school or district.
6. The Ministry of Education aims to ensure this exam schedule does not change. Occasionally circumstances require changes to the exam schedule after it is initially published. Should changes to the exam schedule be required, the Ministry of Education will communicate these changes via email through a TRAX Update. An updated exam schedule will then be posted to the Ministry of Education's [Provincial Examinations website](#).
