How Champlain College and truED Work For You

At Champlain College, we believe that your success, job performance, and personal happiness are enhanced when you gain the additional knowledge and skills you need to flourish in your career.

That's why we created truED.

truED is an exclusive opportunity for you, your spouse, and your eligible adult dependents to earn a certificate, bachelor's or master's degree from a nationally recognized college in today's most critically-needed skills areas. And because the Federal Government is a part of Champlain College's truED alliance, you pay up to 70% less than our standard tuition!

ACCOLADES

Champlain College: An Experienced Leader in Adult Online Education

Champlain College is a regionally accredited, private, not-for-profit college in Burlington, Vermont, known for educating students for career success since its founding in 1878. Champlain has been a leader in online education since launching its first online degree programs more than 20 years ago, and now offers nearly 50 online programs of study.

Ranked among the Best Regional Colleges in the North by *U.S. News & World Report* in 2015.

Regionally accredited by the *New England Association of Schools and Colleges*, which ensures that standards of academic quality are being met or exceeded.

Named "best cyber security higher education program" by *SC Magazine*, the leading source for cybersecurity editorial, in 2013 and again in 2015.

During the admissions process **we look at your whole story:** academic history, resumé, work/life experiences, and responses to reflective essay questions that aim to understand where you've been and where you want to go.

Undergraduate Programs

PROGRAM STRUCTURE: Two, online 7-week terms per semester, 3 semesters per year (note: select courses are 15-weeks long).

CREDIT HOUR REQUIREMENTS FOR BACHELOR'S DEGREES:

A bachelor's degree is 120 credits; most students qualify for transfer credits and have an opportunity to transfer in up to 90 credit hours toward a bachelor's degree.

TIME TO COMPLETION: Time to completion varies based on the number of credits transferred, test-out credits, and number of courses enrolled in each semester.

Position Yourself for Success When You Choose Champlain College Online.

At Champlain College, adult students are our priority, and our nationally acclaimed **100% online** programs are designed for busy working adults.

We structure our academic calendar to help you **finish your degree sooner** with three semesters a year, and two sessions in each semester.

You'll benefit from a personalized student experience with a **dedicated academic advisor** and a team to help you complete your degree.

Our faculty are **practitioner-experts** in their field and understand today's industry needs.

Curriculum is **built with working professionals in mind**, with coursework and assignments that can be immediately applied to the workplace.

When awarding transfer credits, we consider the **work and life experiences** that adult online learners bring to their academic pursuits, in addition to their prior college coursework.

With **no specific class times**, you can **participate 24/7**, when it's **convenient for you**.
