One of the astonishing aspects of Oliver's work is the consistency of tone over this long period. What changes is an increased focus on nature and an increased precision with language that has made her one of our very best poets. --Stephen Dobyns, *New York Times Book Review*

Mary Oliver has published fifteen volumes of poetry and five books of prose in the span of four decades, but she rarely performs her poetry in live readings. Now, with the arrival of *At Blackwater Pond*, Mary Oliver has given her audience what they've longed to hear: the poet's voice reading her own work. In this beautifully produced compact disc, Mary Oliver has recorded forty of her favorite poems, nearly spanning the length of her career, from *Dream Work* through her newest volume, *New and Selected Poems, Volume Two*. The package is shrink-wrapped so that the elegant clothbound audiobook can take its place on the poetry shelf. It also includes a fifteen-page booklet with an original essay, "Performance Note," photos of the author at Blackwater Pond, and a full listing of the poems and their sources.
