

VLD | VERTICAL LED DISPLAY

Spec Series STR | STA | STG

VLD, or Vertical LED Display, is now available as an option on select STR, STA, and STG refrigerators. Made with the same quality materials as the rest of the Spec Series® line, the VLD model is a great way to display wine, beer or any other high-end products. LED lights run the length of the doors to provide optimal lighting, making product stand out to the eye. True's LED lights are an energy efficient option, providing a superior image without the energy costs of past lighting options. The VLD comes standard with three shelves per section with the option of wine shelves to display multiple bottles of wine.

Wine shelves only available for VLD models.
