 Striped boxes on the set-up page mean no standards attached to that assignment; stripes turn to COM blocks when standards are attached to an assignment
 - 3 views of gradebook
 - Traditional – all assignments and scores
 - SBRC overview by class
 - Specific standard
 - *Meets, Exceeds, Approaching, Does Not Meet* – Automatically populate by the average of scores attached to the standard

To attach a standard(s) to an assignment...

Standards are attached to assignments during the assignment set-up.

Open setup – Assignments

To attach a standard to an assignment, click on the striped box in the “R&C” column.

The screenshot shows the 'Gradebook Setup' interface for 'Social Studies 7 (45.0080040-127)' with a 'Marking Period: S1'. The 'Assignments' tab is selected. A table lists several assignments with columns for Date Assigned, Due Date, Category, Title, Extra Credit, R&C, Points, Weight, File, Cannot Be Dropped, Publish, and Actions. A red arrow points to the 'R&C' column header, which contains a striped box icon.

Date Assigned	Due Date	Category	Title	Extra Credit	R&C	Points	Weight	File	Cannot Be Dropped	Publish	Actions
11/09/2016	11/17/2016	FMAST - Formative Assessment	Junior Achievement Assessment	Not Extra Credit	[Striped Box]	100.00	1.00	[Folder Icon]		[Green Circle]	[Pencil Icon]

09/19/2016	09/28/2016	SMAST - Summative Assessment	Unit 2 Test	Not Extra Credit	[Striped Box]	100.00	1.00	[Folder Icon]		[Green Circle]	[Pencil Icon]
09/19/2016	09/23/2016	FMAST - Formative Assessment	US Involvement in SWA Quiz	Not Extra Credit	[Striped Box]	100.00	1.00	[Folder Icon]		[Green Circle]	[Pencil Icon]

****If an assignment has already been defined, and you would now like to add a standard (or standards), click on the pencil to edit the assignment and then follow the steps described here.**

To attach a standard(s) to an existing defined assignment...

Open setup – Assignments – select the assignment to edit. Click on the striped box in the R&C column. The Competency box will open. Click on the add icon to view the list of standards. Click/highlight the standard/standards you wish to attach. Then click ok. The Competency box will show you the standard(s) selected. Click SAVE.

The image illustrates the steps to attach a standard to an existing assignment through a software interface. It consists of three sequential screenshots:

- Assignment List:** A table of assignments is shown. The row for 'SWA Government Q' (dated 10/07/2016) has a striped box in the R&C column, which is highlighted by a red arrow.
- Competencies and Rubrics Dialog:** The 'Competencies and Rubrics' dialog box is open. A red arrow points to the 'Add' icon (a plus sign in a square) in the top right corner.
- Competency Selection Dialog:** The 'Competency Selection' dialog box is open, showing a list of standards. The standard 'MSOCSTU 3' is selected, highlighted by a red arrow.

The final screenshot shows the 'Competencies and Rubrics' dialog box with the 'Save' button highlighted by a red arrow.

The Striped box in the R&C column will turn into COM blocks when standards are attached.

Gradebook view 1 - traditional – Class view of assignments/grades/averages

The screenshot displays the eSchoolPLUS Teacher Access Center interface. The top navigation bar includes 'Home', 'Attendance', 'Gradebook', 'Grade Reporting', and 'Class Management'. The main content area shows a 'Gradebook' view for 'Pd: 2, MP: S1'. A table lists assignments with their dates and scores. Below this is a table with columns for student ID, Name, Course, Alerts, Grade, Average (91.87), and individual assignment scores.

Gradebook view 2 – Overview of standards

Class view of all of the standards listed for the course along the top and any student progress IF the standard has been attached to an assignment during the marking period.

**If there are blank spaces under a standard, the standard hasn't been attached to any assignments this marking period.

The screenshot shows the eSchoolPLUS Teacher Access Center interface. At the top, there is a navigation bar with icons for Home, Attendance, Gradebook, Grade Reporting, Class Management, Performance, Recommendations, and Interventions. Below this, the 'Gradebook' section is active, showing 'Pd: 2, MP: S1'. A dropdown menu for 'Standards based report card' is open, and two arrows point to it from the text above. The main area displays a table of standards and student progress. The table has columns for 'Geographic Understandings ...', 'Historical Understandings for...', 'Government/Civics Understa...', and 'Economic Understandings fo...'. Each column contains sub-columns for specific standards, such as 'Locates sele...', 'Explains imp...', 'Discusses e...', 'Explains dev...', 'Analyzes im...', 'Explains con...', 'Explains, co...', 'Analyzes dif...', and 'Explains p...'. The table shows student progress for two students (1 and 2) across these standards. Some cells are shaded grey, indicating no progress or no assignments attached.

NOTE!! Progress marks are set to auto populate based on averages:

80-100% = MS

79-50% = AP

49% and below = DNM

Standard progress mark

Traditional grade

BEFORE loading gradebook – review standards progress marks and make any necessary changes.

Go to gradebook view #3 – the C block to review by standard.

The screenshot shows a gradebook interface for 'Earth Science (40.0610000-124), MP: S1'. The top navigation bar includes a 'Gradebook' tab and a 'C' block icon. Below the navigation bar, there are dropdown menus for 'Geology >> Differentiates am' and 'Standards based report card'. A table displays student data with columns: #, Name, Alerts, Grade, Average (84.45), and Score. The table has four rows of data. A red arrow points to the 'C' block icon, and a black arrow points to the 'MS' grade in the first row.

#	Name	Alerts	Grade	Average (84.45)	Score
1			MS	91.00	91.00
2			IP	73.00	73.00
3			MS	91.00	91.00
4			MS	94.00	94.00

To make a change/override of a progress mark, click on the progress mark.

Enter the progress mark needed: MS, DNM, IP

**EX is only used when a student is working at a level beyond what the standard demands.

When you are ready to load your gradebook, click on the grade reporting tab – then report card.

LOAD BOTH – grades and competencies.

All progress marks in the gradebook will load to the report card.

NOTE!!

Under the Grade Reporting tab, when you click on competencies, they will all be NE until gradebook is loaded. Once gradebook is loaded, progress marks from gradebook will populate here.
