# Christmas Play Dough

## You will need:

- 1 cup flour
- 1 table spoon oil
- 1 cup water
- ½ cup salt
- 2 teaspoons of cream of tartar
- 2 teaspoons of gold glitter

## How to make:

1. Mix all ingredients together in a saucepan with a whisk to remove the lumps.
2. Cook over low heat stirring with a wooden spoon. The mixture will thicken and become a big blob.
3. Take play dough off the heat and turn out onto the bench.
4. Knead until play dough is smooth.

## Tips & Ideas:

- To minimise the transfer of glitter onto hands and play area, add the glitter during cooking rather than kneading the glitter in after cooking.

## Pompom Christmas Trees

### You will need:

Different size pom-poms, large, medium, small and extra small  
Milk bottle tops  
Kids PVA craft glue

### How to make:

1. Place a small blob of glue in the bottom of a bottle top and firmly press a large pom-pom on top.
2. Place a small amount of glue on top of the large pom-pom and attach a medium size pom-pom on top. Repeat this, by stacking the pom-poms from largest to smallest creating a shape of a tree.
3. Set aside and allow drying.

### Tips & Ideas:

- The Pompom Christmas Trees are a cute decoration for the kid's bedrooms or small gift.

# Christmas Gingerbread Man Cookies

## You will need:

Green and red smarties to decorate  
Gingerbread cookie cutter  
125g softened butter  
½ cup brown sugar  
½ cup golden syrup  
1 egg, separated  
2 ½ cups plain flour  
1 tbs. ground ginger  
1 tsp. mixed spice  
1 tsp. bicarbonate of soda

## How to make:

1. Beat butter and sugar in a bowl until pale and creamy. Add golden syrup and egg yolk and beat until combined.
2. Stir in the flour, ginger, mixed spice and bicarbonate of soda. Turn onto a lightly floured surface and knead until smooth. Cover with plastic wrap and allow to rest in the fridge for 15 minutes.
3. Place the dough between 2 sheets of baking paper and roll out until about 4mm thick. Cut out gingerbread man shapes with cookie cutter and place onto baking trays. Repeat with any excess dough.
4. Bake in oven for 10 minutes or until brown.
5. Remove from oven and transfer to a cooling rack.
6. Decorate with Smarties and draw on gingerbread face, arms and legs with a skewer or blunt knife.

## Handy Christmas Tree

### Your will need:

Green & yellow Paint  
Paint brush  
A3 coloured card  
Glue stick  
Large sheet white paper

### How to make:

1. With the paint brush, apply green paint to an open hand.
2. Gently press hand onto the white paper. Repeat this until there are a sufficient number of green hand prints.
3. Wash and dry hands.
4. Apply yellow paint to the hands using a paint brush and press gently onto the paper.
5. When hand prints are dry, cut them out and position them into the shape of a tree.
6. When happy with the arrangement, glue onto the coloured card.

### Tips & Ideas:

- There are 18 green painted hand prints and 2 yellow displayed in the photo.
- Using the paint brush to apply the paint to the hands gives a more even coat when pressed onto the paper. There is no excess paint and less mess!

## Play Dough Snowman

### You will need:

- 1 blob of Christmas Play Dough
- 2 twigs
- Orange & green pipe cleaners cut to size
- Coloured buttons
- Pompoms & patty pans
- Crepe paper streamers
- 2 wiggly eyes

### How to make:

1. Roll and join one large and small ball of Christmas Play Dough together.
2. Press the twigs for arms into the play dough and manipulate the pipe cleaner to form a smiling mouth shape.
3. Press the pipe cleaners for the nose and mouth into the play dough.
4. Attached the two wiggly eyes, patty pan for the hat and press the buttons down the front of the play dough.
5. Wrap a strip of crepe paper streamer around the join of the two balls of play dough and gently tie a knot.

### Tips & Ideas:

- This is only one example of what you could do to create your very own play dough snowman. The ideas and crafts you could use are endless.

## Sponge Painting Christmas Gift Paper

### You will need:

- Sponges
- Christmas shapes sponge template, [page 30](#)
- White sheet of paper
- Red and green paint

### How to make:

1. Print off Christmas Shapes Sponge Template page 30 and cut out shapes.
2. Trace around the Christmas shapes onto the sponges and cut them out.
3. Place a small amount of paint onto a clean meat tray and place the cut out Christmas sponges on top.
4. Gently press the paint covered sponges onto the paper and repeat until the sheet of paper is covered.
5. Allow to dry.
6. Wrap Christmas gifts with painted paper and add your favourite coloured ribbon to add that special touch.

### Tips & Ideas:

- You can change the colours for a different theme.
- Use any remaining paper for making Homemade Christmas Crackers, [see page 21](#).

**[Return to contents page](#)**

## Pipe Cleaner & Bead Christmas Tree

### You will need

Two green pipe cleaners

Assorted coloured hollow beads for threading

Blob of Christmas Play Dough [page 5](#)

### How to make:

1. Cut pipe cleaners into four lengths. 2 long, 1 medium and 1 small.
2. Make a tree trunk with 1 long pipe cleaner pressed into a large blob of Christmas Play Dough.
3. Twist another long pipe cleaner around the bottom end of the trunk, followed by the medium in the centre and the smaller length towards the top of the trunk.
4. Arrange all pipe cleaners to form the shape of the tree as desired.
5. Thread coloured beads onto the pipe cleaners to decorate the tree.

### Tips & Ideas:

- The play dough will dry up over a few days and harden, making the pipe cleaner more stable.

# Christmas Paper Chains

## You will need:

Green and red paint  
White sheets of paper  
Sponge paint rollers  
Scissors  
Sticky Tape

## How to make:

1. Prepare paper and paint in trays with sponge rollers.
2. Roll paint onto paper creating red and green patterns.
3. Allow the paint to dry.
4. Cut paper into strips approximately 4.5cm wide and 25cm long.

## Tips & Ideas:

- Paper chains make for a great homemade decoration for the Christmas tree or around the house.
- Red and green are known for their Christmas colours but you can create any colour theme with these paper chains. You may like to try purple and silver or green and gold.

**[Return to contents page](#)**

## Plastic Cup Christmas Tree

### You will need:

- 1 large disposable plastic cup
- Green paint
- 2 Paint brushes, 1 for glue and 1 for paint
- Kids PVA craft glue
- Assortment of craft materials: pipe cleaners
- Metallic confetti
- Pompoms

### How to make:

1. Paint the plastic cup with green paint all over. For more depth in colour and better paint coverage, apply a second coat.
2. Apply a small amount of glue onto the plastic cup to attach craft decorations as desired. For the photo above, a large yellow pompom has been used for the star; you may like to use a cut out star on yellow paper.

### Tips & Ideas:

- Placing your hand inside the cup while painting makes it so much easier to get better paint coverage and avoid getting paint onto the hands.
- Use a recycled yoghurt container for the glue and paint pot, that way you can throw them away when finished and have no washing up.

**[Return to contents page](#)**

## Short Bread Christmas Cookies

### You will need:

- 300g softened butter
- 1 cup icing sugar
- 3 cups plain flour
- Baking paper
- Christmas cookie cutters

### How to make:

1. Mix butter and icing sugar together with an electric mixer.
2. Gradually add flour and mix well.
3. Place baking paper onto bench top and knead mixture until smooth.
4. Place in the fridge to rest for 15 minutes.
5. Roll out flat onto the bench with a rolling pin.
6. Press Christmas shape cookie cutters into the dough.
7. Bake at 180 degrees for 15 minutes or until golden brown.

### Tips & Ideas:

- Placing the mixture into the fridge for 15 minutes helps stop the mixture sticking to the rolling pin and gives a clean finish with the cookie cutters.

**[Return to contents page](#)**

# Christmas Collage Place Mats

## You will need:

- Christmas wrapping paper
- White sheet of paper or card
- Glue stick
- Scissors
- Clear contact or laminating sheets

## How to make:

1. Tear Christmas paper up into small squares and shapes.
2. Apply glue to the paper and attach torn Christmas wrap overlapping to ensure that the entire sheet of paper is covered.
3. When the glue is dry, cut along the edges to remove any overhang of Christmas paper on the collage.
4. Laminate the collage or cover it with contact.

## Tips & Ideas:

- These placemats make a great place to put Santa's cup of milk and cookie or to decorate the table for Christmas day.
- Tearing the paper gives a more effective pattern to the collage than cutting.
- The placemats can be decorated with any theme colour.

**[Return to contents page](#)**

## Making Fluffy Snow

### You will need:

- 1 cup of Soap Flakes
- 3 cups warm water
- Large mixing bowl
- Large container or tray
- Electric beater

### How to make:

1. Sit a large mixing bowl on top of a tray or container to catch the over flow of fluffy snow when mixing.
2. Add soap flakes and warm water into large mixing bowl.
3. Mix with an electric beater until there is no longer any water and the mixture is thick.

### Tips & Ideas:

- The fluffy snow is a thick mixture that is great for putting on glass windows and doors for drawing pictures with your finger.
- Sprinkle the fluffy snow around your back yard to create a winter wonderland.
- You can purchase soap flakes at your local supermarket in the washing powder section.

**[Return to contents page](#)**

## Twiggy Play Dough Snow Tree

### You will need:

Christmas Play Dough, [see page 5](#)

Small twigs or branches

### How to make:

1. Follow directions on page 5 to make Christmas Play Dough.
2. Collect a small amount of twigs and small branches from the garden.
3. Roll a small ball of play dough and stand the twig or small branch into the centre of it.
4. Roll the Christmas play dough into small balls and randomly attach them to the branches of the twig.

### Tips and Ideas:

- You could make a garden of twiggy snow trees by rolling some play dough flat and sticking the twigs into the play dough to stand them up tall.
- Take the kids for a walk to collect up small branches and twigs.

[Return to contents page](#)

## Christmas Star Decoration

### You will need:

6 yellow pop sticks  
Kids PVA craft glue  
Ribbon  
Metallic Confetti

### How to make:

1. Arrange the pop sticks to form a star shape.
2. Glue the adjoining parts of the pop sticks together. This part can be very fiddly and may take a few tries.
3. Allow the glue to dry.
4. Apply small amounts of glue onto the areas of the Christmas star for the confetti decorations.
5. Once the glue has dried, tie a small ribbon around one of the triangles of the star.

### Tips & Ideas:

- The Christmas star is a great decoration for the Christmas tree.
- PVA glue is the best adhesive for gluing wood together. Once it has dried it adds strength to the Christmas Star.

**[Return to contents page](#)**

# Cellophane Window Snow Flake

## You will need:

- 1 sheet white paper
- Small sheet green cellophane
- Round Object to trace around
- Scissors
- Glue Stick

## How to make :

1. Trace around a round object to make a circle. Cut the circle out.
2. Fold circle in half.
3. Fold the half circle in half again, quarters.
4. Cut small triangles around the outside of the quarter circle.
5. Open out flat.
6. Glue onto a sheet of cellophane and cut off excess cellophane.

## Tips & Ideas:

- These are a great Christmas window decoration.

**[Return to contents page](#)**

# Cellophane Window Christmas Tree

## You will need?

- 1 sheet green rectangular shape paper
- Small sheet red cellophane
- Scissors
- Glue stick

## How to make:

1. Fold a rectangular shaped paper in half.
2. Rule a line from corner to corner.
3. Cut along the line with the folded spine still intact.
4. Cut small triangles into the sides of the paper.
5. Open to discover the shape of a tree.
6. Glue onto a piece of cellophane and cut off any excess cellophane.

## Tips & Ideas:

- These look fabulous on windows with the sun shining through.

[Return to contents page](#)

# Homemade Christmas Crackers

## You will need:

Cardboard paper towel roll

Christmas shapes sponge paintings left over from gift wrap [page 9](#)

Sticky tape

Coloured Christmas ribbon

## How to make:

1. Cut the left over painted Christmas paper to size to fit the cardboard roll. Allowing enough paper at the ends to twist closed later.
2. Roll and wrap it around the paper roll leaving the ends open. Place sticky tape at the centre to hold the paper together.
3. Twist each end and fasten with sticky tape.
4. Tie on some ribbon for decoration to each twisted end.

## Tips & Ideas:

- You can place some yummy surprises, colouring in pictures with a crayon or jokes inside the Christmas cracker.
- You could alternatively use commercial Christmas gift wrap instead of the Christmas sponge paintings paper.
- The Christmas crackers can be used as gift tags or make a great gift.

**[Return to contents page](#)**

## Mini Pipe Cleaner Candy Cane

### You will need:

Assortment of coloured pipe cleaners

Scissors

### How to make:

1. Cut pipe cleaners in half.
2. Twist and wrap the pipe cleaner around each other to create a stripy pattern.
3. Bend and shape the pipe cleaners into a candy cane shape.
4. Check the ends are folded inwards as these can be sharp.

### Tips & Ideas:

- The Mini Pipe Cleaner Candy Canes are a great decoration to attach with a gift tag on gifts.
- They are very cute decoration for the Christmas tree. You don't even need to attach string to them, they loop over the branches.

## Paper Plate Santa Mask

### You will need:

Large paper plate  
Santa hat: printable template [page 35](#)  
Red paint  
Kids PVA craft glue and sticky tape  
Cotton wool balls  
Large pop stick paddle  
Scissors & black marker pen

### How to make?

1. Paint the Santa hat red, leaving the cotton wool areas white. While waiting for the paint to dry, cut out holes for the eyes in the paper plate and draw on a nose.
2. Cut out the Santa hat and sticky tape it to the top of the paper plate. Also sticky tape the large pop stick at the bottom for the handle.
3. Apply glue to the cotton wool areas and shred the cotton with fingers. Apply thinly to the wet glue.

### Tips & Ideas:

- Colouring crayons, pencils or marker pens can be used to replace the red paint.

**[Return to contents page](#)**

## Paper Plate Reindeer Mask

### You will need:

Large paper plate  
Reindeer ears: printable template [page 34](#)  
Brown paint  
Sticky tape & scissors  
Large red pompom  
Large pop stick paddle  
Black marker pen

### How to make?

1. Paint the paper plate and reindeer ears brown. Allow the paint to dry.
2. Cut out small eye holes in the paper plate and draw on the mouth.
3. Cut out the reindeer ears and sticky tape to the top of the paper plate. Also sticky tape the large pop stick at the bottom of the paper plate.
4. Sticky tape the red pompom for the Reindeer nose.

### Tips & Ideas:

- Alternatively you could replace the brown paint for colouring crayons, pencils or textas.

**[Return to contents page](#)**

## Moving Paper Plate Santa

### You will need:

Large paper plate  
Small paper plate  
Moving Santa Templates: printable [pages 31](#), [32](#) and [33](#)  
Red and black paint  
Split pins  
PVA craft glue and sticky tape  
Scissors  
Cotton wool balls  
Black marker pen

### How to make?

1. Paint the large paper plate, arms, legs and hat red, leaving the cotton wool areas white. Paint the boots with black paint.
2. While waiting for the paint to dry, draw Santa's face on the small paper plate and glue on the beard.
3. Attach the small paper plate to large paper plate with sticky tape and draw on buttons and a belt.
4. Cut out hat, arms and legs and attach with split pins. Attach the Christmas hat with sticky tape.
5. To finish off, apply glue to remaining cotton wool areas and thinly apply the cotton wool.

### Tips & Ideas:

- The split pins enable the legs and arms to move around. Making it a dancing Santa.

## Christmas Dance Streamers

### You will need:

- Green streamers
- Red streamers
- Small bell (optional)
- String or ribbon
- 2 large pop sticks
- Sticky tape

### How to make?

1. Cut two each of the red and green streamers approximately 60cm long.
2. Gather and twist the four ends together and wrap sticky tape around to hold together.
3. Attach to the end of the pop stick with sticky tape.
4. Thread a piece of string through the back of the bell and tie a knot.
5. Attached the string and bell with sticky tape onto the end of the pop stick. Trim off any excess string.

### Tips & Ideas:

- Play the kid's favourite Christmas songs and dance away with their Christmas Dance Streamers. So much fun to be had!

**[Return to contents page](#)**

## Sock Snowman

### You will need:

Green streamers & large red patty pan  
6 buttons  
Twigs from the garden  
Old white sock  
Orange pipe cleaner cut to size, 4cms  
Stuffing from an old pillow  
Black marker pen & an elastic band  
Kids PVA craft glue

### How to make?

1. Fill the sock with stuffing from an old pillow and separate body and head using an elastic band. Any remaining sock can be folded at the back and held in place with elastic band.
2. Cut two small holes into the sock for the twigs and one for the nose. Thread the twigs and pipe cleaner into place.
3. Wrap a length of streamer around the neck (elastic band) and gently tie a knot.
4. Draw on the dots for a mouth.
5. Glue on the buttons for eyes and down the front of the snowman. Place the patty pan on top for a hat.
