ASTROLOGY

BY BERNICE BEDE OSOL UNIVERSAL UCLICK

Personal and financial improvements can be made. Reconnecting with someone from your past will help you move forward. Learn from experience and don't reveal personal information. This is a year to listen, observe and offer suggestions, but not one to bare your soul. Focus on change and opportunities.

AQUARIUS (Jan. 20-Feb. 19) – Take note of what others are doing and consider how it can benefit you. Take advantage of opportunities that can lead to higher wages, better investments or new beginnings.

PISCES (Feb. 20-March 20) – Stick to what and who you know if you want to avoid being taken advantage of by someone who exaggerates or makes empty promises. Develop your skills and rely on your own abilities.

ARIES (March 21-April 19) – Double-check any information you are given to avoid being misdirected. It's up to you to verify facts and use your intelligence to make the most out of what comes your way.

TAURUS (April 20-May 20) – A business meeting will be revealing. Listen carefully and take notes. Gather your thoughts and don't make a premature statement or decision. Time is on your side, so don't bend under pressure.

GEMINI (May 21-June 20) – You'll be looking for a good time, but before you let down your guard, consider the company that surrounds you. Don't share too much personal information.

CANCER (June 21-July 22) – Listen to what someone has to offer, but don't buy into a scheme that could be overly risky. Concentrate on nurturing important relationships and making unusual but positive improvements.

LEO (July 23-Aug. 22) – Take your time to figure out what you want to do. Socializing with people who share your interests will help you put your professional challenges in perspective.

VIRGO (Aug. 23-Sept. 22) – Do something you

enjoy. Include people who make you smile and offer genuine advice. Avoid anyone who is excessive or manipulative.

LIBRA (Sept. 23-Oct. 23) – Put more time and effort into your health and well-being. A personal change will do you good. Don't let someone who is critical and negative bring you down.

SCORPIO (Oct. 24-Nov. 22) – Get out, visit a friend or see someone who makes you feel at peace. You need time to think about what you want to do. A creative outlet will be therapeutic.

SAGITTARIUS (Nov. 23-Dec. 21) – The more energetic the activity, the better you will feel. Challenging situations will motivate you to bring about positive change. Physical improvements will boost your morale.

CAPRICORN (Dec. 22-Jan. 19) – Your heart is in the right place, but sometimes you have to let others do as they please. Offer suggestions but don't criticize, or you may damage an important relationship.
