The Classics are coming...

Introducing the most spectacular antique die-cast fire collection ever

Become a **CHARTER MEMBER**, and you'll receive this magnificent fire steamer replica, plus one vintage Corgi fire engine replica per month (for 12 months), selected and cast for this special collection. There are no repaints or repeats of engines shipped earlier in the series. Each shipment is unique and comes with its own Certificate of Authenticity and Collector Trading Card giving a brief history of the apparatus and a color photo of the replica. As a Charter Member, you'll pay only \$29.95 plus \$5 (p&h) per shipment. *Each engine is currently valued at \$45.* All fire engines are backed by our full money-back guarantee. And, the fire steamer is yours **FREE** when you join.

Prototype model only

1:50 Scale
6 1/4" Long

Your **FIRST SHIPMENT** also includes the legendary and historically correct 1:50 scale Corgi die-cast replica of the 1952 Ahrens-Fox HT No. 3488 (officially the last piston pumper ever built by A-F). Originally made for the Hope Hose Co. #1 of the Tarrytown Volunteer Fire Department in New York.
