(b) Archers shall possess a limited quota elk license or a General elk license and an archery license in order to hunt elk with archery equipment during any special archery season.

(c) Archers with a General elk license shall only hunt in those hunt areas open to hunting with a General license and are restricted to the limitations associated with the special archery season dates for that hunt area as specified in Section 2.

(d) Archers with a limited quota elk license shall only hunt in the hunt area(s) where their license is valid and are restricted to the limitations associated with the special archery season dates as specified in Section 2.

(e) Type 9 limited quota elk licenses are valid for “archery only” and do not require a separate archery license.
