## COMPLAINT RESOLUTION PROCEDURE Palmyra R-I School District

This complaint resolution procedure applies to all programs administered by the Department of Elementary and Secondary Education. A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied, or misinterpreted by school district personnel or by Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted.

The written, signed complaint must be filed and the resolution pursued in accordance with Palmyra R-I School Board Policy File: KL, Public Complaints as follows:

“The Board recognizes that situations of concern to parents/guardians or the public may arise in the operation of the district. Such concerns are best resolved by addressing them at the level where the concern originated through communication with the appropriate staff members. The administration has developed procedures for addressing those issues (see Policy KL-AP noted below). Any concern regarding federal programs administered by the Missouri Department of Elementary and Secondary Education (DESE) may also be appealed to DESE or the United States Department of Education as permitted or required by law.

If a complaint has been made and appealed in accordance with administrative procedures, the parent/guardian or member of the public may appeal the issue to the Board by submitting a written request to the superintendent or the secretary of the Board. The Board will address the complaint in an appropriate and timely manner.”

Palmyra R-I Policy Procedures, KL-AP: “The following steps are to be followed by parents/guardians or the public when questions or complaints arise regarding the operation of the school district or federal programs administered by the Department of Elementary and Secondary Education (DESE) that cannot be addressed through other established procedures.

1. Complaints on behalf of individual students should first be addressed to the teacher or employee involved.
2. Unsettled matters from (1) above, or problems and questions concerning individual schools, should be presented in writing to the principal of the school. The principal will provide a written response to the individual raising the concern within five (5) business days of receiving the complaint or concern.
3. Unsettled matters from (2) above, or problems and questions concerning the school district, should be presented in writing to the superintendent. The superintendent will provide a written response to the individual voicing the concern within five (5) business days of receiving the complaint or concern.
4. If the matter cannot be settled satisfactorily by the superintendent, it may be brought to the Board of Education. Written comments submitted to the superintendent or the secretary of the Board will be brought to the attention of the entire Board. The Board will address each concern or complaint in an appropriate and timely manner.

The decision of the Board shall be final except in the case of complaints concerning the administration of federal programs, Board Policy KLA. In that case the complainant may go to the appropriate section of DESE and from there on to the United States Secretary of Education.

The Board considers it the obligation of the professional and support staff of the district to field the questions of parents/guardians or the public. Accordingly, the district will inform patrons of this complaint procedure and its availability.”
