Puttable indications are for minimum orders of \$5mm. Additional charges apply between \$1mm and \$5mm. Putable indications can vary based on time of execution. Please call the desk for live quotes and other structures.				

Call for other structures (terms, amortization schedules, strikes, lockouts, options, indexes or payment frequencies). For advances with callable options, member can prepay at par on specified date(s) with required prior notice. Option cost for callable advances is calculated as the difference to the equivalent term fixed rate, fixed term advance. Option value for fixed rate putable advances is the difference from fixed rate fixed term advance rate of maturity equal to the lockout term. Member is selling call option to the PHIDE. Minimum Shmm for advances with embedded options. Rate Advances
