# Oldcastle® Brands

## ALLIED INTERIOR & EXTERIOR PRODUCTS

- Interior products including drywall and accessories
- Exterior products including shingles, sidings, and windows
- Distribution partner for brands including: GP, National Gypsum, American Gypsum, OC, Tamko, CertainTeed, GAF, PlyGem, Royal/Crane, Hardie, LP, Mi, and Silverline among others

## AMERIMIX PRE-BLENDED MORTARS & STUCCO

- Bagged or bulk pre-blended dry mix products
- Offering both natural and colored mortars and stucco
- Saves time with less on site waste, cleanup and time spent mixing
- Greater consistency, color reliability, product workability and overall quality
- Bagged cement & concrete also available

## ECHELON VENEERS

- Offering full depth and lightweight manufactured stone veneers
- Patented technology provides integrally colored veneers that resist water and mold
- Dry cast manufacturing process produces higher PSI and compressive strength
- Modular design reduces installation time while providing pattern flexibility

## BELGARD LAND DEVELOPMENT

- Meet impervious cover requirements and stormwater management codes with permeable pavers
- Beautiful aesthetics and slip resistant pavers for common areas, pools, sidewalks, streets, parking lots and driveways
- Single and multi-tiered retaining walls maximize usable space
- Commercial grade retaining wall block for large scale projects
- Permeable pavers may eliminate the need for retention and detention ponds

## BELGARD OUTDOOR LIVING

- Create beautiful, inviting outdoor rooms to maximize home value and desire
- Pavers reduce life-cycle costs associated with poured concrete patios and driveways that may crack and crumble, becoming unsightly
- Prebuilt outdoor living elements—fireplaces, fire pits, grill islands and kitchens—boost home value and install quickly with less mess
- Expansive network of Belgard Authorized Contractors to help design outdoor spaces and handle full installation and any warranty issues
- Limited lifetime transferable warranty on all Belgard products and backed by the Good Housekeeping Seal
- Belgard Design Studio showcases outdoor living area to homeowners for upsell opportunities
