Diversion Programs

- IMPACT provides assessment, case management counseling, and access to psychiatric services to prevent hospitalizations.
- Gracepoint Mobile Crisis Team provides community-based screenings and services to prevent hospitalizations. (*Tampa Bay Business Journal* Healthcare Hero, 2013)
- Jail diversion for misdemeanors and a Refuge Task Force to prevent homelessness in families at risk.
- In 2018 we have trained over 500 law enforcement officers in mental health and substance use

Special Projects/Initiatives

- Infant Mental Health, a national initiative is implemented in Hillsborough County with Gracepoint's, Infant Family Wellness Program.
- National Health Service Core approved site: allows physicians, nurses and clinicians loan repayment
- Forensic residential diversion for non-violent felons. The Legislature selected Gracepoint to operate this level 1 program—the first of its kind in west central Florida. Not only has this program been successful, it has reduced the civil case backlog at the state hospital.

Accomplishments

- Established an outpatient center exclusively treating children and teens.
- Gracepoint received Hillsborough County's first homeless project from State of Florida, The Graham. (\$19 million)
- Fully integrated health clinic at our Seminole Heights location with Tampa Family Health Center.
- Reinvested into agency infrastructure: remodeled crisis centers, adult outpatient, improved outpatient registration.
- Provided \$2.2 million in charity care last fiscal year.
